Transportation/Urban Bussing

Students new to Lake Vista Public School busing system will need to complete a bus transportation request form.

Martensville bus transportation request forms are available on the Prairie Spirit website or LVS website. Please allow a one-week turnaround time for a bus pass to be completed during the school year. The one-week turnaround/weekly bus pass processing should happen after October 1. The deadline for receipt of Bus Requests was June 16, 2017. Any forms received between then and July 31, 2017, will be available one week before school starts in September. All bus requests received between August 1 and September 30, 2017, will be processed as soon as possible but won't necessarily be ready until late September. Bus passes will be sent home from school with your child or can be picked up at the school office on a weekly basis.

All students who live in the Lake Vista area will not be eligible for Busing.

Only students with bus passes will be allowed to ride the bus. The bus pass will include the bus colour, bus stop number and description of the bus stop. The student must get on the bus at the stop indicated on the bus pass.

Please check the maps with bus stop times at the beginning of each school year and throughout the month of September. Times may be adjusted as we are unable to anticipate actual times until the majority of students have registered for bus service. These maps should be on the website with tentative times and actual locations by the third week in August. If you have any questions, please go to www.spiritsd.ca/buses or call 306-374-2496.
