Dear Parents,

The school year has come to an end and there is much to celebrate! The Grade 6–9 camping trip to Ranger Lake was a great experience with lots of opportunity to learn, grow, tip out of the canoe and check for ticks. Thank you to the parents who were willing to endure sleep deprivation for a couple of nights and join in the fun.

Throughout the year we recognized special contributions our students made to the school community. Staff gave out over 130 High 5’s during the year. We also took time to recognize special ways students contribute to our school community at our awards assembly.

Another great event at school was a Canada 150 birthday party for the younger students. As we approach the beginning of summer, I challenge every family to think of a significant way to mark the 150th birthday of this great country in which we live. This summer I will be very fortunate to visit Newfoundland. This is the only province in Canada in which I have not set foot and I can think of no better way to mark Canada’s 150th birthday. You can also travel across Canada through great books such as the series Discover Canada Province by Province.

<http://sleepingbearpress.com/series/80-discover-canada-province-by-province>

I wish everyone a summer filled with outdoor fun, with time to read a good book or two and time with friends and family. Looking forward to seeing you on September 5th.

Ms. Kampen
