

DIVISION BAND PARENTS ASSOCIATION
FEES and FAMILY FUNDS

Now that you have enrolled your child in the band program, your family is a member of the Band Parent Association (BPA). The executive of this organization works for you. We have parents volunteering to keep your child actively involved with the program. We are also here to help you with fundraising, which is entirely optional.

There are a number of things you may want to fundraise for, including:

- Band fees
- Retreats and conferences
- Trips for Senior students not covered by fees
- Band attire, and attire maintenance for Intermediate and Senior students (where provided by the BPA)
- The purchase of your child's band instrument.

The money you raise will be held in your 'family account', for any of your children enrolled in the band program, until you need it. Money raised may be used to pay for any of the items listed above, and is carried over from year to year until the last member of your family leaves the program. After this time, any remaining funds will either be made available to help students in need to pay for their band trips or to fund general tour expenses.

Any of the executive members would gladly provide more information about the BPA, or if you would like to be a part of the executive, please refer to our contact information on the Prairie Spirit (East) Band web site:
