

Warman Elementary School

Easter Story Walk

The Warman Elementary School Community Council is excited to inform you about our next Literacy Project. We have had great response to our Literacy Events so far this year and wanted to organize another fun activity to provide parents an opportunity to read with their children. As many of you are aware, when parents take the time to read with their children and listen to their children read at home on a regular basis, children grow so much in their reading ability.

To encourage families to read together, we have organized our 6th annual Easter Story Walk. The story selected for this year's story is, Dandelion Seed's Big Dream by author Joseph Anthony. The book has been divided into 18 sections and each section will be posted in the front window of various venues around Warman from April 13th, 2017 until April 21st, 2017. The venue and address for each page is listed on the question and answer page attached.

The Easter Story Walk is an opportunity for families to enjoy getting out for a walk and share in the joy of reading! Each section of the story is numbered and a corresponding question goes with each one. We ask families to read all of the pages of the story and answer the questions on the sheet. When students have completed the story and the questions they can fill in their name, grade and class and hand the form into the Warman Elementary School Library by Thursday April 27th, 2017. On Friday April 28th, 2017, we will make draws from the entry forms for some great prizes to be awarded to the students.

Have a great time reading!

Warman Elementary School Story Walk

The Dandelion Seed's Big Dream

Students Name: _____ Grade/Class: _____

Please return answers to WES by Thursday April 28th, 2017

PAGE	Business	QUESTION	ANSWER
