Young Worker Readiness Certificate Course

Watch this YWRCC instructional video OR follow the instructions below:

1. Go to https://ywrcc.ca
2. Sign up for an account. You need to give an email address of an account you can access today. The name you use to sign up is important as this is what prints on your certificate.
3. Complete the registration by verifying your email.
4. Login to the Young Worker Readiness Certificate Course.
5. Work through the 3 modules and take the test. To complete the course and receive your certificate, you must score over 75%. Please make sure to complete Module 3 – Workplace Health and Safety.
6. Upload a copy of your certificate to your portfolio in MyBlueprint. Print a few copies for yourself and to share with your potential employer.
