

Setting Up Your Parent PowerSchool Account

For all new students to Lake Vista School, please follow these steps in order to get setup with your PowerSchool account, or to have your student added to an already existing account.

STEP 1: Please email lakevista@spiritsd.ca with your request for access. Please indicate your full name, your students' full name and your email you would like to use.

STEP 2: You will receive an email back with your username and temporary password.
