Standing Agenda Items

Teacher Appreciation Week Budget – Approval and arrangements determined via email and will be distributed over the course of this coming week (Feb 10-15, 2019).

Movie Night Budget – Approval for the Movie Night will be done via email as there were not enough members present to vote on the budget. Committee members in charge will email and a vote will be done at that time.

Parent Engagement – Chris sent an email with possible questions to be include in our Parent Survey from the previous meeting. Further discussion will be done during the next meeting (March 7, 2019).

Making LVS Feel like Home – Ideas will be discussed with teachers and cost estimates prepared at that time. This will be presented to SCC to help determine an appropriate budget.

Engagement – Amy communicated to the group that at the last staff meeting LVS staff were invited to share their ideas on how to get families and students more engaged and was very impressed at the connections that the teachers were making with this subject. It shows that teacher and students are gaining a deeper understanding of what engagement really means.
