

Lake Vista SCC Mtg- May 16th

In attendance-Tara, Wilma, Amy, Chris, Ashley, Cara, Shay, Brenna, Melissa

Not in attendance: Desirae

Adoption of agenda: Dana

Adoption of Minutes: Tara

Agenda:

Kindergarten Orientation-Community feedback was great. Liked how grade eights led the tour

Cara reviewed what the pamphlet looked like and what the SCC members did during this time

What is the extent to who had the information that they need? Are there some who didn't get the info they needed. We will get feedback on this in the fall.

Is there a need to provide information packages at the different areas?

Book and Muffin Morning- Great turn out just a few books left over this year. A good selection of books this year

Decals: Decals have been ordered and processed. We won't be charged until they are on the wall

Thank you for Volunteers- Ashley will get a list and decide what we will do for them as a school. Ashley will ask Brittany to email teachers to send names. SCC will sign the cards for the next mtg and then we will send them out.

Parent Engagement Survey-We had feedback from many families (approx. 90 families). Amy went over the results with SCC members. Majority of results were pretty good and can give starting points for next year. Mental health in kids was an area that families identified. One area that came out low: parents feel comfortable sharing culture /heritage/ knowledge with the school- can we help others understand the different ways parents can contribute without coming into the school. Is there more work we can do around this to educate our families.

Standing agenda items:

School Report-

Adult Learning Highlights- Chris reviewed the report of adult learning in our school and the professional development opportunities staff took part in. Majority of our schoolwide work this year has been centered around family engagement. Amy and Chris reviewed our L4L presentation with our SCC members

Important dates- Grade 7/8 track has been moved to Dalmeny for this year because of construction in the city

Staffing 2018-2019- Amy and Chris reviewed staffing changes for this coming year. Evan Robson and Lynne Driedger-Enns will be teaching music to our students next year(K-5). We have six new staff members next year

Family/School Engagement- We are continuing to work on building this resource bank. The parent map will be done this fall but are there other community members we know that we can contact. A list would be very helpful for teachers

New Business

Track and Field-

- Grade 2-6 is schoolwide track- June 7th
- City Track -June 19th - Martensville, Dalmeny, Langham will be in attendance
- SCC Volunteers- The grade 7/8s will help run it. We will still need volunteers to help. Ashley will gather a list of people who would be interested in helping and send it to Chris. If everyone does a short one-hour shift that would be helpful. Chris will check in with Derrick and then send in information

Back to school BBQ- Sept. 5th. Format from last year worked well and we will continue. Burgers will have to be started earlier this year (start cooking at 2). Adding hotdogs as an option helped and we will offer them again this year.

Farm to School and Berry Fundraiser- Delivery date October 9th. The first year worked better because we got our vegetables before Thanksgiving. We need to have the money in 10 business days before delivery. It will have to be ready to go by/money collected by Sept. 23 at the latest. How can we pump the kids up to get more sales? Is e-transfer something to think about going forward?

We didn't need babysitting tonight

Next Meeting- June 6th

Lake Vista AGM

Adoption of Agenda-Shay

Review of 2018 AGM Minutes-

Adoption of the Minutes-

Responsibility of the SCC Members- Cara reviewed the responsibilities of the SCC members including Chair Person, Vice Chair Person, Secretary. Ashley will stay on as Chair and Cara as vice. After next year we hope to rotate through roles on the executive.

Role of the School- Chris reviewed the role of SCC in the school and we reviewed the Lake Vista School Annual Report.

Nominations- Four Vacant Positions and Four People applied.

Cindy nominated Ashley for Chair Melissa seconded the nomination- passed

Ashley Nominated Desirae- Tara seconded the nomination- passed

Tara Leason and Madeline Schell to join the executive- passed.
