our classroom groups cycle through and work with a variety of knowledge keepers in the community at the hall. One first target will be pie-making as part of our Christmas Banquet meal plan!

- Parent Math Academy update:

Staff has declared an interest in this project, but due to the timing, we are aiming for a January/February date instead of November.

- School Counselor Update:

We have an itinerant counselor (Heather Wigran). The SCC voiced worry and concern over the challenges faced in support the mental health of our students fully and thoroughly. Some suggestions moving forward was a letter-writing drive to our board to make our concerns known and some intentional mental health training for our staff to attempt to provide as much support as we can for our students.

- Alec Couros update:

Alec Couros has availability in late February to come to our school. His rate is \$4,000, plus travel expenses. The SCC was concerned by the steep cost. Tabled for the time being.
