Old Business:

- Garden Committee Proposal/Plan – Alana and Marcia

Alana + Marcia have done lots of investigating and have made lots of connections. There has been lots of support and enthusiasm supporting this idea. The U of S has been mentioned as a potential partner moving forward. The Rec Board has also been mentioned as a stakeholder and partner worth drawing into the planning of a garden at Borden School. Ag in the Classroom was also brought forward as a possible program with lots of interactive and experiential learnings for our students.

- “SCC in a Box” through Peggy – Alana

Alana is looking to follow up with Peggy.

- Organizing and Planning another partner activity with our Sr. Community and Borden School – Alana

Nothing planned between now and our next SCC Meeting. The first experience was positive and we are looking to find another opportunity engage our Sr. Community.

- Formal Thank-you – Brody (we have an idea that we'd like to discuss at the next SCC meeting...)

We will be making formal “thank-you” presentations at Awards to our generous donors and partners in the community.

This is done! Nicole Kaufmann, Gina Smith, Marcia Parker, and Angelena Lukan are all attending, which is terrific news for Borden School and Community!

- Seeking parent input for PAA proposal as part of sustainability component – Brody

Plan has been submitted. Waiting to hear back from Division.

- Talent Show forms, tickets, and booking hall – Ange

Ange has been instrumental in the planning and organizing of this event. The tickets are ready to go as are the permission slips for performers/contributors.

- Parent Math Academy – update:

We are looking to combine this with a future event. A Potluck down the road was mentioned as a possible idea.

- Book & a Bagel – feedback:

Great turnout, great visiting and connecting across many layers, tasty treats and food, and a great way to celebrate togetherness and reading! Great work and planning to the SCC Team behind this awesome day!!

New Business:

- Ball Diamond

Minor Ball struggled with scheduling on the 2 diamonds in the village. Kim advanced the idea of getting 1 or 2 of the school diamonds refurbished. There are grants and local organizations that might be willing partners if the right effort was mobilized. Having students lead the charge on this initiative was discussed as a great way to foster leadership and being transformative change agents in our student body.

- Talent Show Planning

Date is set and the hall is booked. Letters and communication is going home immediately. Kim has offered to lead the supper planning/organization, Gina + Ange will create the program, Pam has offered to set-up the silent auction, Borden Students will layout the tables and chairs at the hall, Marcia and Alana
