Dear Borden School Families and Supporters:

We have had a tremendous first few months of the school year, so thank you to everyone for your positivity and support so far this year! We are pushing into the holiday season with purpose and passion.

To begin this month's message, I'd like to say thank you to the families and students that were able to visit with us during 3-Way Conferences. These conferences are always a terrific way to share success stories and also next-steps to see further improvement. At the same time, it is important to let everyone know that we are always open to meet or chat if you have any questions, concerns, or topics to discuss. Everyone on staff is always eager to engage with our Borden Bruin families, especially if there are important issues to discuss and resolve.

The month of November is a busy time for the students and staff at Borden School. As a staff team, we have focused on our work on transitions and community engagement. We are proud of some of the intentional supports that we have crafted to make transitions more efficient around our school. As far as community engagement goes, we are really excited to share our Christmas Concert and Activities evening with you all! After the Christmas Concert portion of our program on December 19th, we will have the opportunity to share in some fun activities. We are hoping to capture a little bit of the magic that was on display during the Community Potluck in November.

As a closing note, we'd like to sincerely thank all of our community for your support through November. The participation of our community at the Remembrance Day Ceremony, Bookfair, and 3-Way Conferences was truly amazing. We are looking forward to engaging and connecting with you throughout December as well. We wish you and your families the absolute best as we approach the holiday season.

Thanks so much for your continued support and patience. As always, I'd like to encourage anyone with questions, wonderings, or concerns to reach out to the school. The easiest ways to do so are to call us at 306-997-2090, email me directly at brody.morris@spiritsd.ca, or set up an appointment to meet in person.

Thank you for your understanding and support!
