

Hello parents,

Here is an updated list of practices and games. Thanks for keeping me informed of your curler's attendance and whether or not they need transportation. Mr. Morris and I certainly appreciate it!

I am unable to attend this, however Mr. Morris will be attending. We will be bringing 8 curlers: Senior boys and senior mixed if possible. If curlers win the majority of their games, they will continue to play on Saturday. This will be confirmed when we see the draw. Please let me know asap if your curler will be able to attend. Curlers: Wyatt, Sadie, Bill, Noah, Owen, Sydney, Katelyn.

Depending on who can attend, we will decide on teams.

Fri. March 6th: Junior Curling Conferences (location TBA) NOTE: this is also the same day as our Borden School Ski Trip to Table Mountain. Students have a choice to attend the ski trip or go to Curling Conferences. In the past, students have chosen to go to on the Ski Trip, in which case, our school just withdraws from conferences. Please have your curler decide what they want to do and let me know asap, so we can inform CVAC. Many thanks!

First or second week in March: wind up - details TBA (last year we had a parent-student game at the rink, complete with snacks)
