

Prairie Spirit School Division celebrates student learning and achievement with our public in a variety of ways. We share this success to help our students and educators learn from it, to inform parents, guardians and our school communities and to report on strengths and challenges. In addition, our schools share some student information to facilitate communication between home, school and community.

When images and/or names of students are shared with the public (through school division publications, media coverage, video footage or on websites, etc.), *The Local Authority of Freedom of Information and Protection of Privacy Act (LAFOIP)* must be followed. Therefore, we require your informed consent before we will share any student information or visual images of your child. See the following descriptions of the types of student information or images that the school, school division or news media may ask to share.
