Dear Borden School Families,

As we head towards the December Break, I would like to share my most sincere thanks to Borden School families. The first four months of the 2020-2021 school year have been unique and extraordinary, and the support from the community to the school has been tremendous. I wish all of you and your families a safe, healthy, and joyous Holiday Break! I can't wait to work alongside your children in 2021!!

- In this update I will share information on the following topics: SCC Election, Gymnasium Usage, and Picture Re-Takes & Cap and Gown Pictures

SCC ELECTION:

Borden School has not received any additional nominations. That means that an election will not be required for any SCC positions. Thank you all for taking the time to be involved in this process!

Gymnasium Usage:

Last week (December 7 – December 11) the Borden School gymnasium was closed during the recess and lunch breaks. This change has come as a result of a Health guideline and has been applied to all Prairie Spirit Schools. At this time, there is no indication when the gymnasium will be accessible again during non-class time.

At Borden School, this means that Grade 7-12 students who have had access to the gym in the past from 11:05-11:20 and 12:22-1:05 no longer have access to the gym. Students in Grade 7-12 are encouraged to take a body break outside when the weather is warm enough.

Physical Education classes are continuing as normal and have not been impacted by this change.

Picture Re-Takes & Cap and Gown Pictures:

Life Touch (school photographers) reached out to Borden School today. The date for picture re-takes and cap and gown pictures has been changed to **Friday, December 18th**.

I apologize for the short notice of the date change.

Conclusion:
