

Dear Borden School Families,

This is a brief outline of the 4 extra-curricular clubs/teams that are currently under way at Borden School. As a staff, we have canvassed students (often multiple times) to gauge their interest and potential engagement. Our goal is to provide updates to additional clubs/teams as they approach.

Although these clubs/teams have begun, the membership could still be adjusted. We welcome and encourage students to get engaged, so please inquire about getting involved. The more the merrier!

All Prairie Spirit schools will be required to wear a mask while indoors at school, including indoor extra-curricular activities, effective Tuesday, September 14.

Looking ahead, Borden School is hoping for strong representation in Curling. The start date for Curling is November 8th. Stay tuned for more information as we get close to the start date!

Thanks for taking the time to read this. Don't hesitate to reach out to the contact person if you have questions about a specific club/team.
