Dear Borden School Families,

We have the **Elementary Track** date set for **Wednesday, June 1st!** This is a whole school event with K-6 students competing as athletes and 7-12 students serving a variety of roles throughout the day. We are so excited to be planning for this event in its fullness after a few lost years. Perdue School has committed to attending the Elementary Track Day with us which is a very exciting opportunity!

On Wednesday, June 1st, the Elementary Track Day will officially begin at 10:00 AM. Perdue School must be on the road home by 1:45 PM, so all events will be completed by 1:30 PM.

On the day of June 1st, we are **seeking parent volunteers** to help us out. We are looking for volunteers to either lead a group of athletes, or help work the BBQ for the canteen (cooking burgers and hotdogs). Parents who volunteer to lead a group of athletes can be partnered with their own child. We do have Grade 7-12 students who will be working the canteen and also stationed at the various events around the school yard. Our Grade 7-12 students will serve as guides and helpers to students, athletes, and volunteers.

If you are interested in volunteering for the Elementary Track Day (either as a group leader or BBQ cook), please reach out to Ange and I so that we can move forward making groups and finalizing our planning. If you'd like to volunteer, please let us know by **Wednesday, May 25th**. We will send additional information for volunteers by Friday, May 27th.

Thank you for taking the time to read this letter.

Looking forward to seeing you soon,

Brody Morris – Borden School Principal
