Hello Bruin Families!

We have a successful start-up and it is great to see the smiling, energetic faces of the students. This is my first year here in Borden and I love what I see – great staff, great kids, and a vibrant, respectful school. To date I have met many parents and I look forward to the opportunity to meet many more.

Communication between school and home is vital to student success. Please feel more than free to give the school or your child's teacher a call or email whenever you have questions or concerns. Also, if you could let us know if there have been any changes to your contact information that would ensure communication continues smoothly.

Breakfast program will be beginning this week. Baking or monetary donations are appreciated. Also, our Kindergarten classroom would appreciate any costumes/dress-up clothes you are willing to donate. Also, remember that school and activity fees are now due and can be made with Mrs. Lukan at the front desk.

We have several extra-curricular programs starting for the fall. Junior Boys Volleyball and Cross-country running are up and operating and we have several students competing in various sports at other locations. Big thanks to Mrs. Kaufmann, our Athletic Director, for working hard to arrange that.

Our SCC will begin the year with a meeting at the school on September 14 at 6:30 pm. If interested, please contact Mr. Gerwing. A friendly reminder to send your children to school no earlier than 8:35 am so we can ensure adequate supervision is in place.

Let's have a great year!

Trevor Gerwing, Principal
