

# Delisle Composite School

**June 2022**

## Administration Message

Welcome to Summer 2022! It has been quite a school year! I am so proud of our students, staff and entire community for the focus on learning and the many successes that this year school year has brought. For me, the word resiliency comes to my mind when I think of everyone in and around the school. Through it all, we came to school, we learned, we had fun, and we made memories. Thank you!

Wishing everyone a tremendous summer!

Mr. Schlosser, Principal

Mrs. Landry, Vice-Principal

## SCC News:

The DCS SCC would like to thank all the staff and students for tenaciously continuing to learn and grow in sometimes less than ideal conditions. We thank Faye for her many years of running Faye's kitchen at DCS keeping many of the students fed over mornings and noon hours.

We offer our graduates much luck in their continuing endeavors. To our staff that are leaving us, we thank you for your time and dedication to our DCS families.

Finally there are many vacancies on the SCC committee. If you are interested in assisting our Administration and staff in guiding DCS in their service to our families please contact Mr. Kirk Schlosser or Mrs. Edla Landry they would be more than happy to have you onboard.

Have a great summer! Stay safe!

Lori Neault- Former Chair DCS SCC

## Faye's Kitchen

Message from Faye and Leonard:

"We would just like to thank everyone that supported us over the years. It was a good venture but all good things must come to an end. Faye will still be around the school being a caretaker but her kitchen is now closed. Thanks again and everyone have a great summer."

And from all of us at DCS, a huge thank you to Faye for the many hours she has put in feeding fifteen years of students!

## Student Leadership Council:

For the month of June, the SLC was proud to organize some last engaging events to wrap up the school year. From June 13 - 17, we hosted our last spirit week of the year, which consisted of Pajama Day, Tacky Tourist Day, Celebrity/Movie Day, Rebels Day, and Classroom Colours Day. Thanks to all the students and staff who dressed up and showed their school spirit! Additionally, for the past 2 weeks our group sold summertime treats in the foyer over the lunch hours to raise some funds for next year's 'Re-imagine Our Courtyard' Legacy Project. We hope everyone at DCS enjoyed this year's SLC programming, and we wish next year's SLC all the best with their future events!

*Mr. Ron Swanson guest teaching IA*

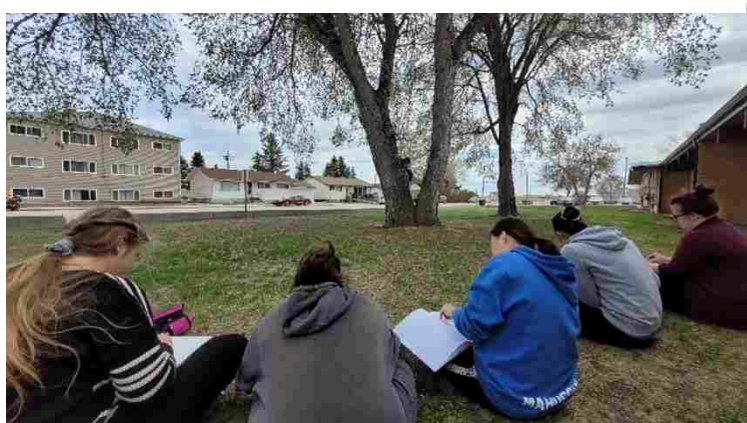

*Mr. Lesperance singing "Fire At Mike's" tribute to the Grade 12s*

*Making bannock in Native Studies 30 for Indigenous Peoples Day*

*Spring camp for football*

*Ms. Carthy working with Art 10 in sketching*

*Phys Ed 30 bike trip to Pike Lake*

*Graduating Class of 2022*

*BBQ'ing at the Education Celebration open house night*

## Grade 7 Moose Jaw

On June 24<sup>th</sup> our grade 7's hopped a school bus at 7:30 and headed down to Moosejaw to take in the tunnels and partake in a round of mini golf at the Battle Creek Adventure park (longest mini golf course in Canada) The students had fun going back in time to prohibition and becoming bootleggers for Al Capone! We had some downtime and ate our lunch at one of Moosejaw's beautiful parks and we spent the afternoon competing at mini golf, spike ball and corn hole. Our last stop was supper in Davidson where DQ was the popular spot. It was a fun filled day and we were all glad that we were able to go on a field trip this year. Thanks Grade 7 for making it an enjoyable day!

## Grade 8 Shekinah

The grade 8's enjoyed their year end trip to Shekinah. This was their first field trip in two years and they made the most of it. The morning was spent exploring the camp competing in an orienteering activity. Though some wrong paths were taken, the paths didn't lead away from fun. At lunch time, the students had to build their own fires. The boys were pit against the girls to see who the best fire starters were. Both teams did well enough to cook their own hotdogs on their fire so, really both teams were winners. The afternoon was the highlight of the trip with zip lining and wall climbing. All in all a very successful day with no injuries or ticks.

## Life Skills

Our students went on a field trip to meet life skills students from other schools. We've also been transitioning new students to our program for next year!

## ELA/SOCIAL 10 Remai, Wanuskewin, WDM

In June, both Grade 10 ELA classes went on trips to Saskatoon. The ELA/Social Studies class enjoyed a day at Wanuskewin, which took us into the new exhibits and on a walk around the natural grounds. We were toured around the property by a fantastic guide, and we explored Indigenous perspectives and histories to support our school and division goals. The ELA A10 class went into Saskatoon for their trip, spending the morning exploring the Western Development Museum and the Remai Modern art gallery for the afternoon. Again, Indigenous perspectives and histories were a focal point of the day, as well as local historical and modern interpretations of society and identity. We had a ton of fun, and hats off to the Grade 10s for their stellar behaviour on both trips.

## Track and field:

After not having track and field for 2020 and 2021, it was great to have events and competition again! Not to mention a chance to wear our new Track pinnies. On May 6, we began our season with our Local Meet. From this meet, 43 athletes advanced to the District meet on May 18. From this meet, we had 30 students advance to Conferences. We had lots of personal bests and many exciting moments throughout the day, including our relay teams. We had 4 students qualify to advance to provincials. Libby

Vandenhurk, Will Coates, Mady Kinzel and Alex Hank. A special Rebel shoutout to Mady Kinzel who won a Gold medal in Discus; out throwing the competition by 5 meters and also placing 5<sup>th</sup> in Shotput. Another Rebel shoutout to Alex Hank who brought home a bronze medal in the 4x 400 relay, coming out of the second heat. It was such an exciting weekend to end a great season. We look forward to having all the athletes come out again next season.

### Mady Kinzel

Provincial gold medal in  
Junior Girls discus

### Alex Hank

Provincial bronze medal in  
Senior Boys 4x400m relay

### Mady Kinzel

5th place in Provincials for  
Junior Girls shot put

## Special shoutouts

Mr. Lesperance won the school NHL playoff pool (Mr. Pylypow's entry on Mr. Lesperance's behalf, with multiple Leafs players did not fare as well....) Thanks to everyone who put in an entry!

Thanks to our teacher candidates for their three weeks with us!

We were fortunate to host (and watch) an event for DES, as Terrance Littletent and Chancz Perry performed Hip Hop Hoop Dancing, a cross-cultural fusion of First Nations hoop dance and North American hip hop.

## Team Saskatchewan 9-side Football

Corbin Ebben,  
Tanner Gessell,  
Austin Gramson

Played in the SK vs  
Manitoba game

Congratulations also  
to Corbin for being  
signed by the  
Saskatoon Hilltops!

## Recycling Program

Thank you to our dedicated students who run the bottle/can and paper recycling programs. It helps the school and environment, and funds the LifeSkills program and field trips. Thanks to everyone for using the blue bins!

## Special Olympics

Congratulations to Nathan, Michelle,  
and Blaire, who competed in  
Saskatoon for the Special Olympics  
with over 400 young people from  
across Saskatchewan!

Thank you to the Junior GSA group for making an amazing display in our entryway, and for participating in the Saskatoon Pride Parade with our Prairie Spirit friends from Warman and Martensville High Schools. #ALLSTUDENTS

## Maclaggan Fire Fundraiser

In the early morning of June 22, the Maclaggan's, one of our DCS families, lost their garage to a fire. This was not just a garage, but a lifetime of race cars, parts, and tools that were completely destroyed in the blaze.

A classmate of Kohl Maclaggan has set up a go-fund-me account to help the family rebuild. As Kohl wrote there, 'I have been dealing with stage 4 cancer and racing was one of the few things that I looked forward to. All my parts, tools and anything I would need for racing was in that garage. The funds will be used to surprise my dad in financial aid of all the stuff we lost.'

Please click the link for more information and to donate.

RACEWAY  
LOCATED IN  
SASKATOON, SK

wishing  
you   
ALL THE BEST

At our final assembly, we said farewell to Mrs. Bartsch.

Mrs. Bartsch has been at Delisle Composite for 8 years. She has been our Special Education Resource Teacher, Learning Facilitator, volleyball and badminton coach, colleague, and a friend to all.

Mrs. Bartsch will be Vice-Principal in Aberdeen School next year, and we wish her all of the best in her new position. We will miss you!

# Local Businesses Provide Track Pinnie Funding

Do we have a Delisle Athlete in this race? Where is the Delisle athlete? Which athlete is from Delisle? Is that athlete from Delisle?

These are the questions that would be asked by fans, students, and teachers all the time when Delisle Composite School competed at Conference and District Track and Cross Country Running because we did not have school pinnies (uniforms) for the athletes to wear to identify them. Well thanks to Dale Kielo, who invested many hours touring from business to business asking for and collecting donations as well as several companies and people that donated, that is no longer the case.

In the spring of 2020, we were able to design and order Delisle Composite track pinnies for our students. Unfortunately, due to COVID, students were not able to wear the pinnies, but they finally made their debut in the 2022 track season! Now our athletes are easy to identify and they look sharp! A huge thank-you to all the companies and individuals that donated to help us purchase these pinnies. Your generosity will always be remembered especially each time they are worn by our athletes.

A warm Delisle Rebel's thank you to: Pentagon Farms, Delisle Legion, Delisle Hotel, Hub Agencies in Delisle, Delisle Co-op, The Delisle Community Players, Nancy Durham, Orchard Transport, Creekside, Mobile Grain Employees, Ron's Equipment, and the Delisle Royal Bank for making purchasing these pinnies a reality. We could not have done it without your generosity.

**Congratulations to all of the graduates of 2022**

**Thank you to the families and businesses who sponsored scholarships and bursaries for our DCS graduates!**

# Education Celebration Open House

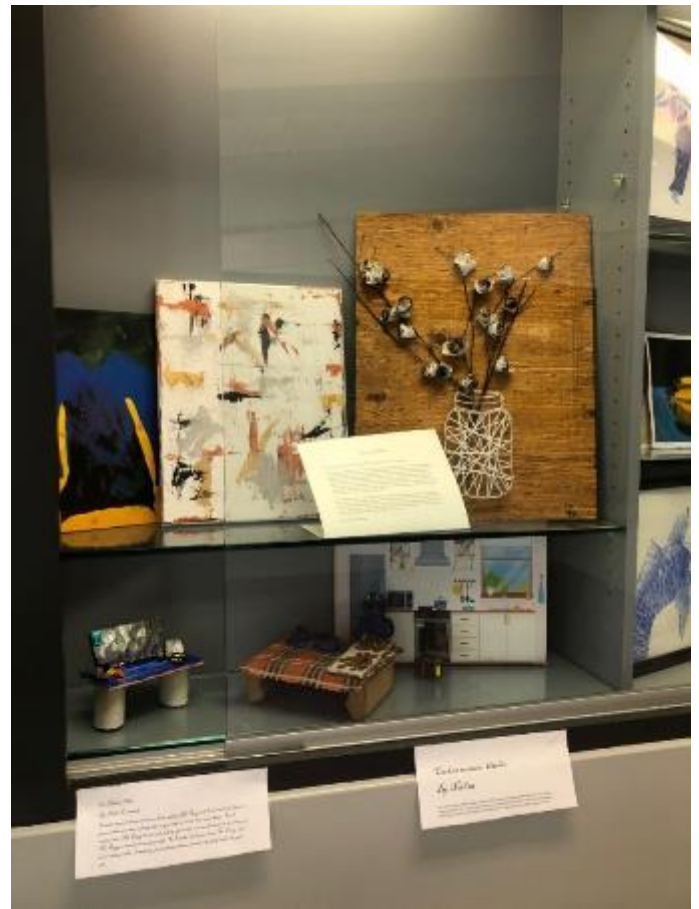

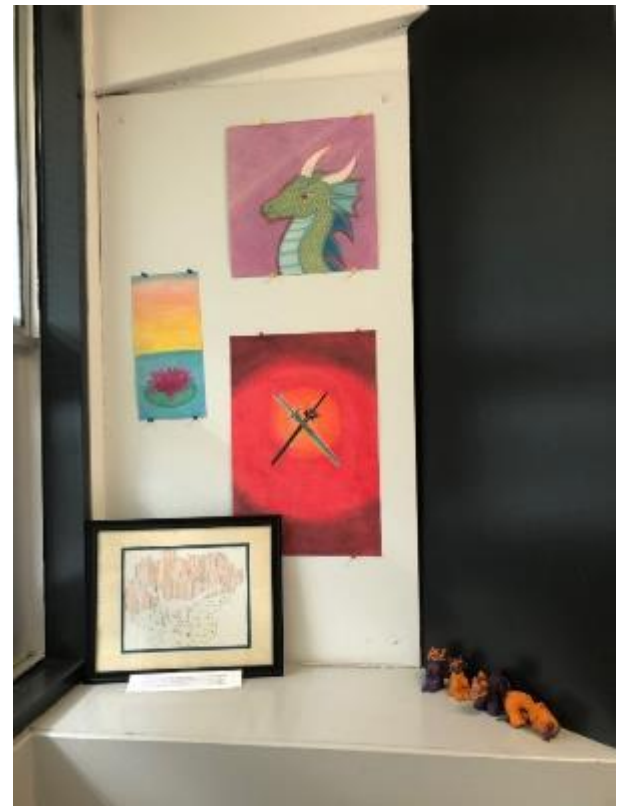

We were really excited to have families back into the building on June 16 for our Education Celebration Open House night! It was a come-and-go evening, with displays of student learning throughout the halls. There were treats made by the Foods 10 class, bannock made by the Indigenous Students Group, and hot dogs provided by the SCC. It was an excellent night and we hope to continue this again next year!

*Visiting Friends Within*

In this painting, I have tried to capture the essence of the human condition. The figures are depicted in a way that suggests a sense of connection and shared experience. The use of color and form is intended to evoke a sense of emotion and thought. The figures are not just people, but symbols of our shared humanity.

This is a work of art that is both a reflection of the human condition and a statement of our shared humanity. It is a work that is both a reflection of the human condition and a statement of our shared humanity.

Have a wonderful summer break from everyone here at Delisle Composite School!

## FIND US ON:

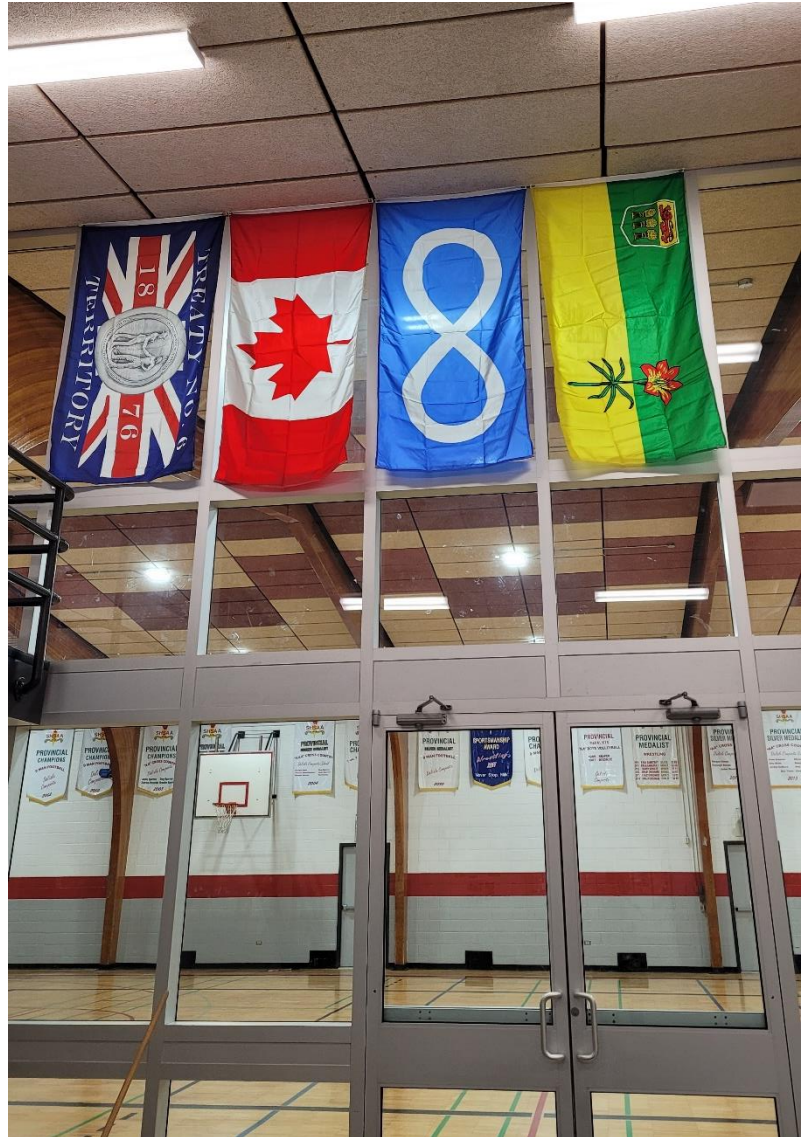

*Twitter, Instagram, FaceBook*

Delisle Composite has several social media avenues to stay connected!

The SLC (Student Leadership Committee) has an **Instagram** page where they keep us up to date on spirit days and other activities. They are at: **dcs.slc**

The school **Twitter** account shares about the great learning happening in classrooms. **@DCS\_Rebels**

The SCC has a FaceBook page and Twitter account with events and other important dates. Find them at: **Delisle Composite High School on FaceBook**, and **@ScCDcs** on Twitter

## What is the staff looking forward to for summer?

My summer plans are to get to the lake as much as I can and drag my kids around on the tube, then hike the West Coast Trail on Vancouver Island in August.

Mr. Danielson

My summer plan is to be at the lake and to travel to Montana to my cousin's wedding. Thank you for a wonderful 8 years at DCS. I hope everyone has a great summer!

Mrs. Bartsch

This summer I'm looking forward to the lake, golfing, and fishing!

Mrs. Wirz

Being with my kids at the lake! Mrs. Colborn

Looking forward to... daily bike rides with my daughter!

Ms. Hill

Going to the lake!

Mrs. Kielo

This summer I'm looking forward to time in my yard and garden, lots of family and Watson time!! Reading good books. Going for long walks with our dog Ace. Our family camping and fishing trip to Buffalo Narrows. I've never been there before. Happy summer everyone!!

Mrs. Schumacher

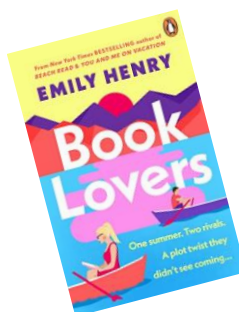

This summer I'm looking forward to the first summer with Ellis, and time at the lake and with family.

I am going to finish the book "Readicide" and go to Willow Bunch for the 150<sup>th</sup> anniversary celebrations (152<sup>nd</sup> because of COVID!)

Mr. Lesperance

I am definitely looking forward to reading some more light, summery books like "Book Lovers" by Emily Henry.

Mr. Knapman

Ms. Curtis

This summer I hope to do some travelling with my family, and spending some sunny mornings drinking coffee with my cats on the deck.

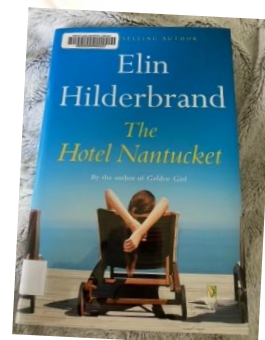

Mrs. Landry

I will be watching all the grandkids play ball.

Mrs. Busby

I'm looking forward to relaxing with friends and family.

Mr. Schlosser

One of Mrs. Rolston's summer reads!
