

Safe... CaRING... LEARNING...

October 29th, 2020

Message from Admin:

It is hard to believe it is already the end of October! We are in full swing right now—parent teacher interviews, SCC meetings, virtual assemblies, upcoming Remembrance Day assemblies and everything in between!

We held our family engagement conversations this week. As always, it is a pleasure to sit down with parents/guardians and have learning conversations about student progress and goals. Our students continue to do great things this year and it is always nice share these successes. If you missed the conversation with your child's teacher, please do not hesitate to schedule a better day/time with them.

We are also extremely grateful to our SCC which will be purchasing us a few extra sets of skis for this upcoming winter. The skis have been a huge hit and the students are already asking us daily about when they will get the chance to go skiing. This opportunity helps us keep our bodies active and help develop an appreciation for the outdoors during the cold winter months. Thank you, SCC!

Many families often ask us how to support learning at home—especially when the traditional "homework" isn't sent home nightly. We firmly believe that learning is everywhere! You might:

Read a book together as a family have conversations with your child about what they are reading. Ask them to make predictions about what might happen next or develop a question that they may have about their story.

Practice math by estimating costs at the grocery store or baking/cooking together as a family.

Write letters or postcards to family members that live away.

Thank you for your continuous support at home. We always invite families to share their learnings with their teachers or on our school Facebook page using the hashtag #DESlearnseverywhere

Have a wonderful November!

Diana Jemieff Hayes and Amy Korver

Reminder—please refrain from using the staff parking lot as a drop off or pick up area for your students. There are staff members with varying work schedules so may be arriving and leaving throughout the day. It is not a safe location for children to be walking through. Students can be dropped off in front or across the street or in the back alley and walk across the school grounds, use the crosswalk and then sidewalk to head to their particular boot room. Thank you for your understanding.

Fees for school supplies and agendas can be paid by cash or cheque. The amount is \$40 for each student. These funds can be sent with your child in their agenda and we will send a receipt home with them the same way. Thank you to those that have sent these in already.

THANK YOU!

Thank you to Steph Isaac for a donation of some Tupperware to use as needed instead of having to use one time use plastics. We appreciate your generosity Steph!

Reminder: LifeTouch will be here **Wednesday, November 4th** for individual pictures. Students in the Kindergarten ACE class that are not here that day will be photographed on the date retakes are which is still to be determined.
