

Safe... CaRING... LeARNING...

October 25th, 2023

Hey DES families,

My message this month is going to be a little different than my previous ones and to be honest, this was difficult to write. I have always viewed my position in your school as an opportunity to serve your community. I am a guest in the lives of your children and families and you always make me feel very welcomed. Regardless of whether we share the same worldview in many different situations presented at the school, I always make sure I listen, I am honest, and give you all I have. I feel this way about all of our staff as well. The care I see and hear at DES is unlike any I have ever experienced before. I feel the same about the community of Delisle. You give so much to all the people here and support our school and staff and you see it in how people stay in this community

I bring this up because I am not sure what the next little bit will look like in our school or any school for that matter because of contract negotiations between teachers and our government. Currently teachers are doing a sanctions vote which will determine next steps. My experience of sanctions, where I felt that both sides were this far apart was 2011, when I had more hair and less grey in it so all I can tell you is based on that experience. With this being said, regardless of the decisions that are made, I want you all to know this.

1. The goal is to make schools better places for all who come through our doors. Children and adults. staff and community.

2. I will do my best to keep you informed and up to date. As soon as I know, I will let you know. It will be through email and/or posts on Edsby.

We love and care for your children and the community of Delisle.

As we prepare for the unknown, please know that you can call me at the school. If you have any concerns let me know.

If you want to support our schools, a great way to do so is through the website, www.tellthemtuesday.com. It's an online petition supporting public education in our province.

Hot Meal Program:

We would like to continue our Hot Meal Program at DES. In order to facilitate this we are looking for volunteers that would be interested in planning, preparing and organizing a meal, approximately once a month or every 4-6 weeks.

In the past, volunteers have come the morning of the meal and prepped, cooked and served food—this happens approximately 9:30am to around 1:30pm. We have had volunteers come for two hour shifts—for instance from 9:30am-11:30am and others from 11:30am-1:30pm, and many the whole time. We know our students and families enjoy the program, so we are hopeful there is a group of people willing to help when able.
