We value ongoing **communication** to provide the best learning experience for your son or daughter. Effective communication that builds relationships and invites collaborative solutions is characterized by openness, clarity and a respectful tone. We look forward to the many opportunities for those conversations throughout the year.

If, at any time you have a **question or concern** related to your child at school, please contact us. We understand that sometimes it is difficult to express a concern, but it is always best to contact us. Please be assured that your concerns will be heard. The first point of contact should be your child's teacher. Send a note or call 306-492-2050.

The best time to call your child's teachers are:

Before 8:55

10:40 – 10:55 – Recess

11:45 – 12:30 – Lunch

2:13 – 2:25 – Recess

3:19 – End of the day

*Please note, that you child's teacher may be on supervision and will return your call at the first opportunity during the school day, within 24 hours, unless it is an emergency.

Our staff can also be contacted by email by following the format:

firstname.lastname@spiritsd.ca

If you have concerns of a more serious nature, or you still have concerns after talking with the teacher, please contact the administrator, Mrs. Shields. We usually like to meet face to face if there is a serious issue to be discussed.

If you have questions about School Division Policy these can usually be answered at the school. If need be, we can refer you to someone at the Division Office.

Upcoming Dates:
