**Welcome
Back!**

Hello Dundurn School families,

The staff are so happy to have students in the school again. We are getting used to what a full day of in-school learning is like, and I think staff and students alike are a little tired at the end of the day! I want to thank you for your help in supporting your children regarding some of the new safety measures. I also want to thank you for keeping your children home if they are exhibiting symptoms. I know that this will be frustrating at times, but I also know that it will make the school learning environment more comfortable for everyone. I am very

impressed with the learning that is already going on at Dundurn School. Students are reading new books, learning about patterns, and practicing their printing all over again, and I am proud of the creative lesson planning that our staff has done. Thank you for the warm welcome to Dundurn School, and I look forward to the year of learning ahead!

-Brent Guenther
