MESSAGE FROM THE PRINCIPAL

Hello Dundurn School Families,

Sometimes I’m a little embarrassed that our Dundurn School sign is often left blank for periods of time, as it may give people the impression that nothing is going on in the school. Although we may not have many community events planned, Dundurn School continues to be a busy place of learning and growing. Teachers are organizing online art workshops for their students. Students are spending extra time working alongside their teachers to make improvements in their writing. And I even see the odd classroom dance party happening from time to time! We look forward to talking about your child’s progress during our upcoming Parent-Teacher-Student Conferences, which are taking place on March 16 and 17.

I would like to encourage you to donate to the “Fill the Boots” campaign that is being organized by the Dundurn School Community Council and the Dundurn Fire Department. We encourage you to make a donation in one of the fire boots around town or in our school so we can purchase an Automated External Defibrillator (AED) for our school. Thank you for your support with this initiative and the support in child’s learning.

Finally, I want to bid farewell and say thank you to Terence Niedermaier who taught in the Grade 2 classroom over the last six months. I also would like to welcome back Renee Schuler who is returning from maternity leave.

We look forward to connecting with you in the month ahead.

This year we have opted for Phone Interviews instead of In-Person Interviews, which will be held March 16th and 17th, from 3:30 – 7:00 p.m. Please book a day and time by clicking on the following website: <https://www.schoolinterviews.ca/>
The event code to book is: 36424

Come learn and play with us Kindergarten!

Registration for the 2021-22 school year is now open! Children who will be 5 years old on or before December 31, 2021 can register for kindergarten by contacting the school or visiting <http://www.spiritsd.ca/register-2/>.

Currently, we are not able to give families a tour of the school and the opportunity to meet the teacher in person because of the COVID-19 pandemic. If you have questions or need more information, contact us at 306-492-2050 or dundurnschool@spiritsd.ca

Changes to enrolment: Please advise us as soon as possible if your child **will not** be returning in the fall (other than current Grade 6 students).

Attendance Information

When schools move to Level 3 or Level 4, student attendance is still taken by teachers. Any contact (phone call, digital connect) with the student or family will be considered P – Present.

Bus Information

A few friendly reminders regarding bussing:

1. Please contact your bus driver directly if your child will not be riding to or from school on a particular day.
2. Please do not drop off or pick up your child in the bus lane before or after school. Bus drivers need the space so that students are safe.
3. Please do not walk between the busses when they are parked. Please walk in front of the first bus or behind the last bus. We are trying to remind students to do this, so it would be helpful if parents were modelling that behaviour as well.

Lunch

Students will eat in their classroom and encouraged to go home for lunch if possible.

- Students will sanitize their hands and eating area prior to and post lunch and snacks.
- Students will be encouraged to bring each day their necessary food/water.
- No food or drink sharing between students.
- Everyone will be required to pack in and pack out all unused or leftover food each day.
- Parents/guardians will be asked to have student food provided in clean containers with their own utensils.
- Students must not share utensils, dishes, or water bottles and drink containers.
- There cannot be lunch monitors at this time, only food that can be opened by the child should be sent for lunch.

COVID-19 Protocols

Parents and caregivers should monitor and assess their children daily for any signs or symptoms of common cold, influenza, COVID-19 or other infectious respiratory disease before sending them to school. Anyone exhibiting any [symptoms](#) must remain home and call 811 for direction. For those who are unsure if they present symptoms or need to be tested for COVID-19, they should call 811 for direction or refer to the [Saskatchewan COVID-19 Self-Assessment tool](#).
