

Home Based Education: February 2022

Annual Progress Reports :

By June 15th, all HBE families are required to submit a year end assessment to the HBE facilitator. lorraine.fitzgerald@spiritsd.ca You may send your annual progress report by email or mail to the PSSD division office.

I have attached this QR code that you can open with your smartphone to view a template As well as the link below that will take you to the PSSD HBE website and show you an example of a year end assessment.

Here is the link to open for the website to see examples of annual progress reports.

Events and Activities:

University of Saskatchewan Parent Information Night

Happy New Year from our team at the **University of Saskatchewan (USask)**! This February, we are hosting a [Parent's Night](#) for parents, guardians, and supporters of future USASK students to come learn about us and get a chance to ask those burning questions! Please feel free to **share with your community and come attend on Tue. Feb 8 on Zoom at 6 pm (CST)**. [Register here](#)

If you have Grade 12 students considering applying to USask this year and their parents/supporters would like to learn about the opportunities available, we're offering information about:

- Our undergraduate programs
- Upcoming deadlines
- Scholarships
- Residence life
- Support services

If you or your students have any questions about the event, please get in touch with me via email. See you there on **Tue. Feb 8 on Zoom at 6 pm (CST)** - [Register here](#)!
