## APRIL 2021

Hello Laird School families,

Here we are, moving into spring and the third term of our 2020-2021 school year. The year has moved along so quickly! With some pieces of school seeing change due to SHA restrictions, school staff are collaborating to bring some new activities to support student health and wellness. In the past month, we have enjoyed some school-wide activities including Bingo and Kahoot games with prizes donated by our School Community Council (SCC). We have also had our gym open at lunch recess for safe sporting activities. Classes have begun venturing outdoors for activities, weather permitting, and we are looking forward to more activities held in a Covid-safe way. We are working on a Covid-safe track and field day and awaiting instruction about Grade 8 graduation and how we can plan for this. As the days stretch out with more daylight and good weather, we wish you all a restful and rejuvenating break!

Take good care,

Corinne Dutka, Principal

We held a school-wide BINGO in March, to promote our school goal of mental health and wellness, and the students loved it. Thank you to all who made this fun event possible, and thank to our students and staff for keeping it safe and fun.
