Message from School Administration

November is already here and there is so much going on! We are halfway through the semester for high school students and our first round of student led conferences. In November we're looking forward to the final parts of construction to be done, our Remembrance Day service on November 7th and our Bingo on November 21st. We hope to have a great turnout.

As the days get colder and shorter, we remind students to bundle up! Learning still occurs outdoors! Students continue to work towards our school goals of improved literacy and numeracy skills as well as strong attendance. Our goals and activities to engage students are visible all around the building. We always welcome new School Community Council members so keep your eye on Edsby for upcoming meetings. Edsby is also where you will find any information you may need!

LCS SHOPPING SPREE – DECEMBER 18TH

Once again, we are looking for items that the students can purchase for their families for Xmas.

If you have new or gently used articles, please drop them off at the school.

Please keep in mind that we need things for teenagers and adults as well.

Thank-you in advance!
