Message from School Administration

Happy February! I'm sure everyone has been enjoying the lovely weather Mother Nature has been sending us. We sure have had some interesting Saskatchewan weather, but there is a light at the end of the tunnel. Coming up to the tail end of the winter months we have some exciting things happening at LCS! Make sure to read through the whole newsletter and mark your calendars.

We continue to focus on our school goals of literacy, numeracy and attendance. We will be starting some midyear reading assessments soon for grades k-8. These assessments help teachers to ensure they are providing necessary instruction in specific areas to help students see growth in their reading skills. Math continues with monthly math challenges for all students and focusing on building specific math skills during instructional time. The attendance team continues to provide attendance information to parents on Edsby as well as highlight students with perfect, good and improved attendance at school.

Lastly, we look forward to hosting our biggest tournament yet with the Sr. Boys basketball team February 6-8. Come on out and show some school spirit and cheer on the boys.

WINTER CULTURE CAMP

Leask Community School students in Grades 1-8 will be attending a Winter Culture Camp at askiy-kamik on Tuesday Feb. 25th.

Activities at the Winter Culture Camp are still TBD but we will be outside for most of the day so please ensure that your child has appropriate winter clothing for the day. If your child is not dressed appropriately, they will be required to stay at the school. The Winter Culture Camp is planned to proceed unless temperatures are below -20 or there is a major winter storm.

Please ensure your child's Land-Based Learning permission form was signed and returned if you want your child to participate.

Commercial Cooking will be providing a lunch for us that day, but you are welcome to send a bagged lunch.
