TO EMPOWER A COMMUNITY OF LEARNERS BY PURSUING SUCCESS FOR ALL

Principal's Message

Ask any student and I'm sure they could tell you down to the hour how many days are left this school year, maybe even some of the teachers too! As students look forwards with excitement to the summer, I always like to take a moment to look back at what we have accomplished and look forwards to the possibilities for the upcoming year.

To start off, we are graduating a fantastic group of students this year. On the one hand I'm sad I've only had 10 months to share the halls with these students, but on the other hand I'm very excited for them to move on in life and share their fantastic personalities with the rest of the world where ever their paths may take them. Sandor, Courtlyn, Cory, Breanne, Adnan, Tanner, Erica, Jami, Bryton, Ashley, Neline, Brody, RJ, Jenna, Dustin, Tanner, Andrea, Aspen, Mikaela, Trent and Leah: You have added such life and enthusiasm to our school and we will surely miss you. Always remember where you came from and how it helped you become who you are today.

To add to those fond farewells we have Ms. Watier and Mrs. Comerford who have been with us this past year. Ms. Watier will be teaching in her hometown of Hague next year at Hague Elementary and we wish her all the best. Mrs. Comerford is leaving us to have her second child. We have appreciated all of the enthusiasm and hometown spirit Mrs. Comerford brought this year. We will also be saying, "See you later," to Ms. McHanson who also will be going on maternity leave in August to welcome her new baby.

With those fond farewells, we also have some important "Welcomes!" Mrs. Anita Roston will be teaching our Grade 2 class next year. Mrs. Roston comes to us from Willow Park where she was able to develop her skills around individualized instruction. She has a wealth of knowledge around literacy education and is very excited to be a part of the LAS team next year. We are also very excited to announce that hometown girl, Ms. Megan Stack, will be teaching our Grade 3 class next year. Ms. Stack is a recent U of S grad with a background in Native Studies and Wellness. It looks like next year our staff will be "stacked!" (Sorry, it's a terrible pun, but it is June after all.)

As students and staff start packing away the year, we can't help but say thank you to our school, community and parents for supporting our endeavours throughout the year. We have some very exciting plans for next year and I can't wait to see them in action! Please stay tuned for updates and opportunities to become involved!

Thank you for the amazing year and have a fantastic summer!!

Leanne Gruending, Principal

Parent Power Workshop

Understanding all the implications of Learning Disabilities can be overwhelming and full of obstacles. Gaining knowledge of what Learning Disabilities are, how they can be managed and knowledge of self-advocacy strategies helps parents avoid problems and pitfalls.

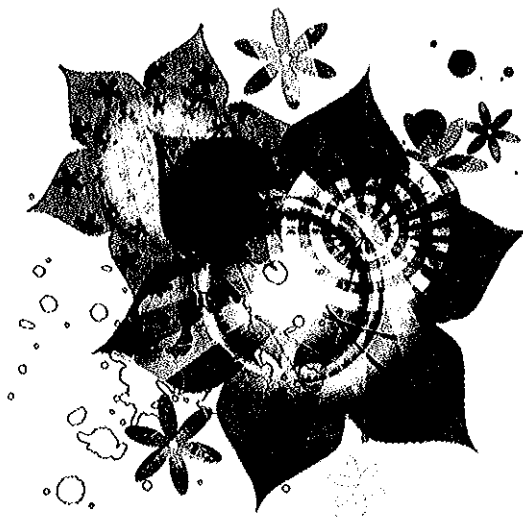

Parent Power offers four sessions that will share information and strategies useful to parents navigating the educational system.

Please join us at 7 p.m. each evening at 2221 Hanselman Court for the following sessions:

October 7, 2014	Introduction to Learning Disabilities
October 14, 2014	Helping Students with Learning Disabilities
October 21, 2014	Developing Parent Advocacy
October 28, 2014	Helping Student to Advocate for Themselves

Jennifer Amy has been a specialized teacher in the field of Learning Disabilities for over fifteen years. She is also a parent of a child with a Learning Disability and has experienced the challenges of the education system first hand. These workshops offer her expertise as well as a format for parents to share their own unique ideas and experiences.

For further information or to register please call 306-652-4921
Cost for all 4 sessions is \$50

Lord Asquith School Grade 3 / 4's Wish Quilt Raises \$1,570 For the Children's Wish Foundation

The Grade 3 and 4 class made a WISH quilt, and each student painted an amazing quilt square with their wish for the world. Parents helped us sew up the quilt. It is GORGEOUS!! We raffled off the quilt and donating the proceeds to the Children's Wish Foundation. We raised \$1,570!!! WOW!! Brett Postikoff, a Grade 3 student, won the quilt.

School Fees

Thank you, parents and guardians!! Although we appreciate the promptness of those who have paid their school fees for the 2013-14 school year, there are several students who have fees that have not yet been paid. Reminder letters have been mailed out. Please remit as soon as possible.

We really do appreciate you taking the time to read labels and being very careful of what comes to school. Thank you for helping keep our kids safe. We hope everyone has a great summer!!
