POWER ALERT

Exciting news...We are now 'live' with Power Alert! Among other notices, you will receive an automated call, text and/or email to notify you of your child's absence if the school has not received prior notification as to the reason for the absence. Forms were recently sent home with the youngest child in each family so you could indicate your preferences as to which form(s) of notification you prefer to receive. Until we have that form returned, the notifications will be sent to all available means for Contacts 1 and 2. Notifications with an emergency status will always be sent by all available means for Contacts 1 and 2. Thank you for returning your form promptly and for your cooperation and patience as we work through this process together.

MEET THE STAFF NIGHT

Thank you to the many SCC Members who provided a delicious meal of hot dogs, pulled pork, coleslaw, cookies, coffee and juice for our "Meet the Staff" night. Along with the opportunity to meet your child's teacher and attend the Scholastic Book Fair, there were presentations on PowerSchool and PowerAlert, VTRA and the Budget. A special "Thank You" to Mr. Larry Pavloff, Division Board Chairman, for being on hand to host the

session on the Budget. We hope you were able to take part in these valuable informational sessions. If you have any further questions concerning these topics, please contact the school.

AFTER SCHOOL CLUBS

Our first Nutrition Club was held on Monday, October 5th and Snack Club Tuesday, October 6th. We had 19 participants for Nutrition Club from Grades 3-5 and 15 participants for Snack Club from Grades 1-2. Students learned about the food guide, healthy eating, portion sizes and how to follow a recipe.

The participants in Nutrition Club cooked a meal consisting of Chicken Breasts, Sweet Potatoes and Raw Vegetables. It was very successful and they enjoyed their meal immensely. The participants in Snack Club made Fruit Kabobs consisting of Watermelon, Apples, Bananas and Strawberries. They were a huge hit!

Feedback has been very positive and we look forward to providing another session very soon!
