## Principal's Message

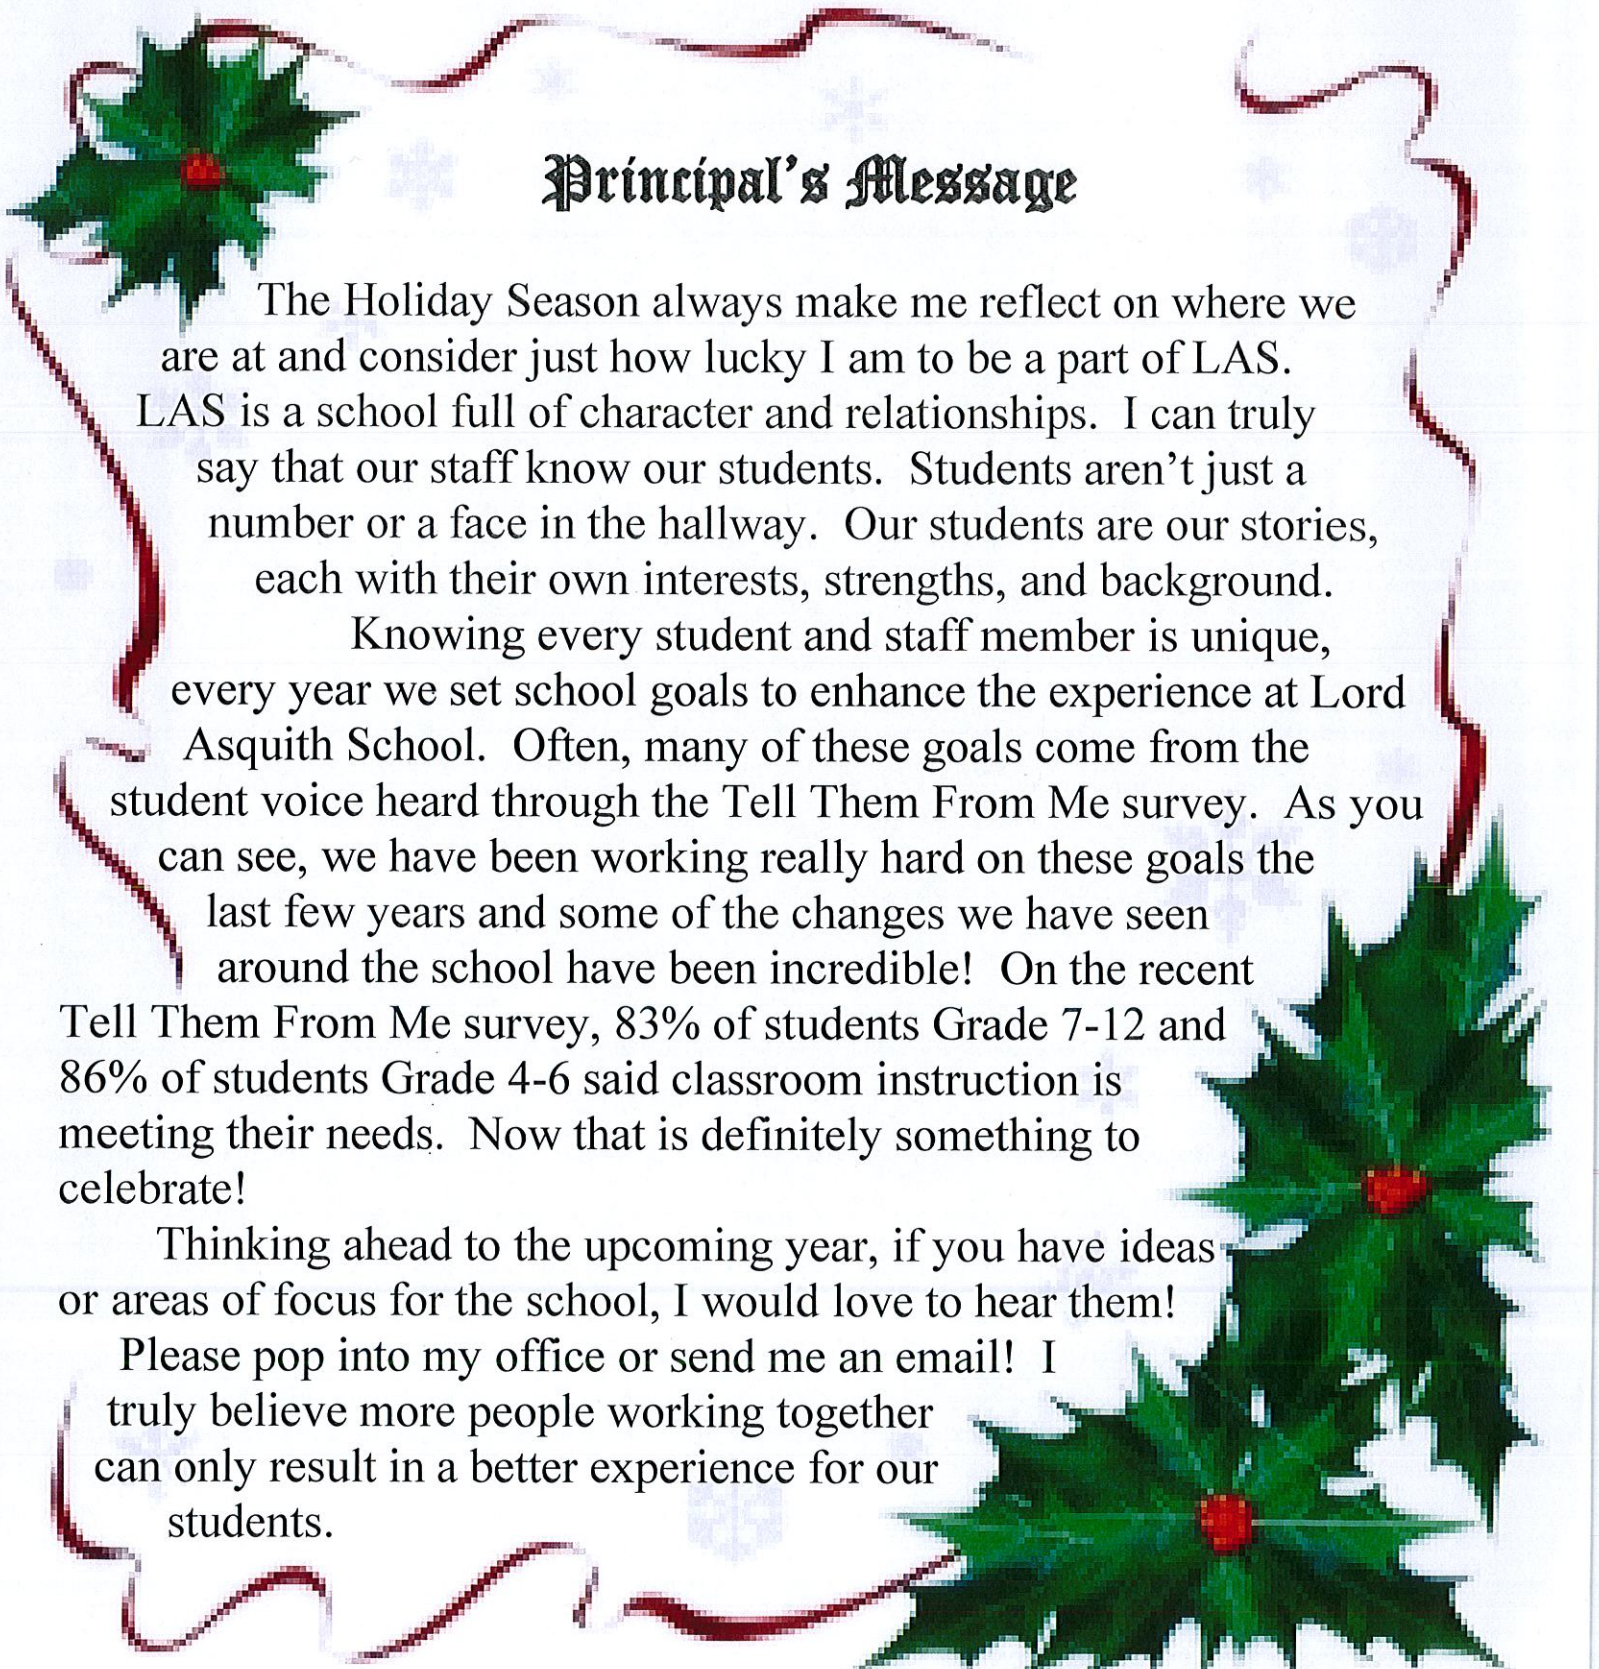

The Holiday Season always make me reflect on where we are at and consider just how lucky I am to be a part of LAS.

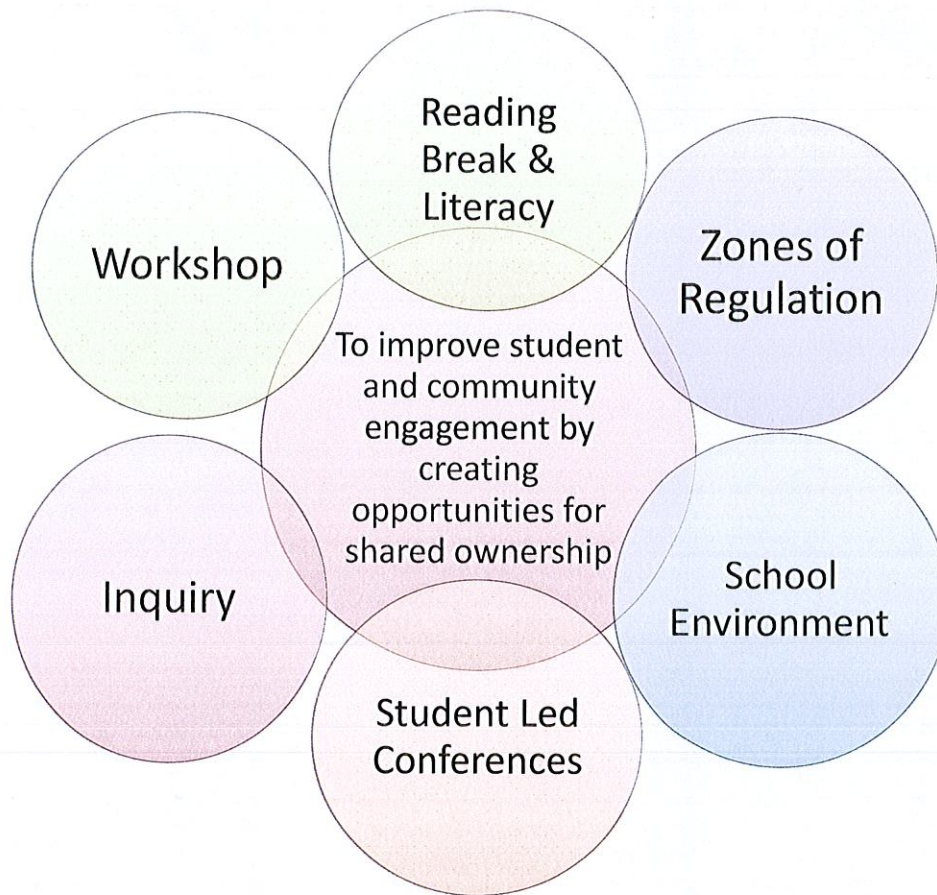

LAS is a school full of character and relationships. I can truly say that our staff know our students. Students aren't just a number or a face in the hallway. Our students are our stories, each with their own interests, strengths, and background.

Knowing every student and staff member is unique, every year we set school goals to enhance the experience at Lord Asquith School. Often, many of these goals come from the student voice heard through the Tell Them From Me survey. As you can see, we have been working really hard on these goals the last few years and some of the changes we have seen around the school have been incredible! On the recent Tell Them From Me survey, 83% of students Grade 7-12 and 86% of students Grade 4-6 said classroom instruction is meeting their needs. Now that is definitely something to celebrate!

Thinking ahead to the upcoming year, if you have ideas or areas of focus for the school, I would love to hear them!

Please pop into my office or send me an email! I truly believe more people working together can only result in a better experience for our students.

*From our family at LAS to yours-, we are wishing you a warm and safe holiday season! See you January 3<sup>rd</sup>!*

*Leanne Gruending*

## **ATTENTION ALL PARENTS/GUARDIANS!!!**

Our Bus Drivers have brought to our attention that we have parents/guardian dropping or picking up students in front of the school when busses are preparing to drop off students in the morning and load students in the afternoon. Please do not drop off/pick up your children in front of the school between 8:20 to 8:45 in the morning and 2:30 to 3:20 in the afternoon. If you have to drop/pick up your children, please do so at the east side of the school or by the basketball courts on the west side. Hopefully this will ensure the safety of all students and reduce the tie-up of traffic.

Many thanks!

# Have a Safe Holiday Season

## Public Health Services

---

**The following suggestions will help you to have a safe holiday season:**

- make sure nightgowns, pajamas and bedding are flame retardant
- pay attention and be alert when cooking – cooking fires are the most common type of household fire at this time of year
- children love to participate in baking and food preparation. Assist them to help prevent burns, scalds or cuts
- supervise children around lit candles, fireplaces or space heaters
- anchor the Christmas tree securely
- water fresh Christmas trees frequently: a 6 foot tree in a well-heated room can drink as much as a person (about 2 litres per day)
- turn off all Christmas lights (e.g. tree, outside lights) when leaving the house or going to bed
- choose toys appropriate to the age of the child. Check for loose or broken parts on toys
