4.4 – Royals Promotional & Branding Items in MAP? Ongoing discussion.

- Wendy noted that she has heard from some parents and students that the MAP does not feel like “the school’s” place.
- Can the school put its logo and brand anywhere – banners, etc?
- Brad agreed. He shared that he was uncomfortable with the advertising process and wanted MHS logos on the school courts. Brad will pursue the placement of school banners, logos and the PSSD Sportsmanship signage (common to all PSSD gym spaces) for the MHS section of the MAP. He will consult with PSSD Facilities on this.
