

Setting Up Your Parent PowerSchool Account

For all new students to Martinsville High School, please follow these steps in order to get setup with your PowerSchool account, or to have your student added to an already existing account.

Note: If your student is coming from an elementary school within the community, you will also need to follow these steps.

STEP 1: Please email mhs@spiritsd.ca with your request for access. Please indicate your full name, your students' full name and your email you would like to use.

STEP 2: You will receive an email back with your username and temporary password.
