

Vision: All learners at Waldheim School will be confident problem solvers

Mission: Develop an engaging environment that encourages collaboration, risk taking, and deep thinking

Why: so students can walk out of our building as confident, capable adults who can contribute the world around them, regardless of their destination or chosen field.

How: by using a variety of assessment tools to develop a deep understanding of our students' passions and abilities.

What: we engage students in a variety of rigorous and relevant learning opportunities to deliver the Provincial curriculum in a timely and effective manner.
