Dear Parents,

We have entered the very exciting month of June. Our Division 3 track meets are over and our teams did very well with two students qualifying for provincials. What a great opportunity for two of our Grade 9 students. Our school track meet was held on Wednesday. What a perfect day! Great attitudes from our competitors, great help from our Grade 8 and 9's and an awesome turnout of parents helped us on the road to perfection. Lots of sun, a little breeze and not too much heat completed the 'perfection.' There are some students who will be going on to the WOMV meet on June 12<sup>th</sup>. As well many classrooms are going on their year end field trips and our Division 3 students have their semiannual camp at Redberry.

In the midst of our planning for next year, we received some sad news regarding our school facilities. The sad news is that our music portable which has been the home to many band and choir rehearsals over the years was inspected by engineers and was deemed to be unsafe for use by staff and students. We are currently examining short term and long term options for storage and for a useable space for staff and students.

I am looking forward to seeing many of you at our awards assembly on June 25 and/or at our school year windup BBQ and play day on June 26<sup>th</sup>.

If you have any compliments, questions or concerns please do not hesitate to talk to your child's classroom teacher, Mr. Key or myself.

Yours in education,  
Ms. Kampen

If you and your family are not available to pick up progress reports on June 26<sup>th</sup> you can write a note in your child's planner requesting that your child's progress report be sent home with another student.

## ***PE Clothing***

A note went last week with all students in grades 3-8 regarding PE clothing for the fall. If you are planning on ordering new clothing, payment does not need to be made until September. Clothing will be available next week for students to try on sizes if needed. All grade 3 students will try on clothing during the day and a note will be sent home with students regarding sizes of t-shirts and shorts.

**Please send these forms in to your student's homeroom teacher by Friday, June 19<sup>th</sup>, whether you are planning on ordering new clothing or not.** It will aid in our record keeping and ordering process. Please contact Mrs. Milnthorp with any questions you have regarding school clothing.

It was a great weekend for Central Valley at the SHSAA Track and Field Provincials in Yorkton this last weekend.

Our Osler athletes competed well. Nick F. finished 25th overall in hurdles. Matt K. finished 10th overall in long jump and his relay team finished 5th in a close final. Congratulations boys!

We have concluded another year of what we consider to be a very important component of our physical education program. Thank you for your support of, and a huge high five to the parent volunteers who helped supervise the change rooms—we couldn't do it without you!

The key to continued success is feedback, and we will be asking you for yours. This will come in the form of an email sent by your child's teacher, and will also include a breakdown of the finances of running these lessons.
