Dear Parents,

What a great year 2016-2017 has been! There are many highlights. Our **Grade 9 students** have shown fantastic **leadership** throughout the year. The **High 5 assemblies** created by our students with support from their remarkable teachers have brought us together as a school community. Our students and staff shared their remarkable talent and showed great perseverance as the fantastic production of **Aladdin** came together. A music filled and tear filled assembly allowed us to say thank you and farewell to a Mrs. Edwards who has dedicated her whole career to our school community. I wish **Mrs. Edwards** all the best as she begins her well-deserved **retirement**. The gym looked amazing as it was transformed into a small town in the old West for **Grade 9 commencement**. Grade 9's tipped their cowboy hats to celebrate the end of their time at Osler School. The **awards assembly** yesterday was our last opportunity to recognize the amazing ways our students have learnt and grown over the last years.

I have one further staffing change to announce. **Nancy Pavloff** will be joining our staff half time as our Grade 9 homeroom teacher. Mrs. Pavloff currently teaches in Waldheim and we want to welcome her to Osler School.

I wish each family of our families a wonderful summer filled with time to enjoy the bounty and the beauty of nature and time to play and reconnect with friends and family.

Yours in education,
Audrey Kampen

Construction Alert!

It is so exciting that construction fences and equipment have arrived on the schoolyard and we are moving another step closer to the construction of the surge pond and new soccer field on our playground. Please remember that:

- * The detour on 3rd Street to the east of the school will continue.
- * Large equipment and large trucks will be moving materials and supplies in and out of the fenced off construction zone. There will be a high volume of traffic in the alley behind the school and on the streets around the school and young children will need to be supervised on the playground during the work day.

Check out our **School Website** for updates, reminders and classroom supply lists!
