Dear Parents,

June is a busy month with field trips and more field trips, fun at the paddling pool for our younger students, the Grade 6-9 trip to Ranger Lake Camp, and final progress reports.

As I look back at May, I celebrate many highlights. Support from the community and the leadership of our Grade 8's and 9's created a wonderful bike rodeo for our Kindergarten to Grade 5 students. The safety message to **always wear bike helmets** was reinforced many times during the day. Our Division 3 track and field team was very successful this year with three of our students representing our school at the provincial high school track and field championship. There was great excitement and also a few tears at our Kindergarten orientation as we welcomed the next class of Kindergarten students to our school. The annual general meeting of our school community council was an opportunity to reflect on the excitement and engagement of our middle year students in reading and writing through the workshop experience. Our Grade 1-6 track meet on Friday couldn't have been more perfect. The weather was great and it was another opportunity for our students to shine. "Learning and Growing ... Together" doesn't just happen in the classroom. Again it was great to see our Grade 8 and 9 students demonstrate what awesome students we have as they were key to such a successful day.

We are still finalizing our professional staffing for next year and I will share more information in our last newsletter which you will find in your student's final progress report.

If you have any compliments, questions or concerns, please do not hesitate to contact your child's classroom teacher, Mr. Key or myself.

Yours in education,
Ms. Kampen

"Summer Days are Here Again...."

Our Dress code promotes respect and responsibility during these beautiful summer days. Students are reminded that:

- Midriffs, cleavage and underwear should not be exposed.
- Tops need to have straps (a width of two fingers)
- Shorts need to be mid-thigh or longer

SPRING BOTTLE DRIVE

Thanks to all parents and students who came out last week to work the spring bottle drive.

We raised **\$1561.10** that will go towards the grade 6-9 camping trip at Ranger Lake this month.

Thanks to all families who donated, we appreciate your support.

Moving or Changing Schools?

Parents, please let us know if your children will not be back to Osler School in September.

We need this information in order to plan for the new school year.

2017-2018 School Calendar

Please check the Osler School website for next year's school calendar.

PE Clothing

A note went home this week regarding PE clothing orders for next year. If you did not get a chance to visit the booth set up during the track meet on Friday, and need to order clothing, clothing will be available this week for your child to try on. Please stop by the office.

An order form will also be sent home with each child. **New for the 2017-2016 year, payment is required with the order.** Orders and money are due on **FRIDAY, JUNE 16th**.

Please contact Mrs. Milnthorp at tamara.milnthorp@spiritsd.ca if you have any questions.

School Community Council

The Osler School Community Council held its Annual General Meeting on May 9th.

The Council would like to welcome our new members Tracy Gaja and Angela Oster on board. Thank you to Amy Ens for her contribution.

The Learning for Life presentation highlighted the use of the workshop model to increase engagement in reading and writing for middle year students.

The SCC will be participating in the Canada Day Parade. Students will be invited to wear their school gym clothing. Please contact Lindsay Yasieniuk at Lindsay@yastech.ca if your family is interested in participating.

A huge thank you to **Selena Doell** who volunteered to lead a Grade 4-9 coding club at our school, Thursdays after school. She started before Christmas and ended this past week. For a while there were so many students

that she was offering coding club two nights after school. At its heights there were around 35 students participating. Mrs. Doell is looking forward to volunteering her time again next year to support this exciting club at our school.

SPORTS NEWS

Grade 1-5 Swim Program

We have concluded another year of what we consider to be a very important component of our physical education program. Thank you for your support of, and a huge high five to the parent volunteers who helped supervise the change rooms—we couldn't do it without you!

THANK YOU
VERY MUCH

- ♦ to the volunteers who helped time at our **Grade 1-6 Track Meet**. What a great group of timers at the finish line!
- ♦ to the Grade 8 and 9 students who helped all the events run so smoothly.
- ♦ to the Division 3 Student Leadership Council who ran a great concession.

Grade 4-6 Students who were winners of our local meet will go on to compete at the Warman, Osler, Martensville and VCA (WOMV) meet on Thursday, June 8th.

2017 Division 3 Track and Field

Another year of track and field has been completed. It has been a fun, exciting, and a very successful season.

On May 18, thirty-eight Osler athletes competed at the Conference meet at Griffiths Stadium in Saskatoon. Of those thirty-eight athletes, twenty four finished in the top eight, which advanced them to the District meet held on May 26. Two of our relay teams advanced as well.

There were many successes again at the District meet, along with many personal bests. Three grade nine girls, Trinty W., Kaitlyn T., and Autumn C., did so well that they advance to Provincials and represented Central Valley in Saskatoon on June 2 and June 3.

Coaches: Mr. Lewchuk, Mrs. Milnthorpe, Mr. Chorneyko
