"Learning, Growing... Together"

Dear Parents,

Welcome to the 2020-2021 School Year! After ending the last school year on a very different note, we are excitedly looking forward to 2020-2021. The teachers are back at work in our new school "uniforms."

During the Coronavirus coaster called spring of 2020, I often used the phrase "We are closed but still awesome." My motto right now is "We are wearing masks and still smiling."

We will be sharing our school's return to school plan with you later this week. We appreciate that school will be opening with a staggered start the week of September 8, 2020. This will help us establish safe procedures at key transitional times of the day like arrival, recess and dismissals and will give teachers the opportunity to connect more closely with students in their classroom on the first days of school.

If you have any questions at this time, please email your child's classroom teacher. If you need their email address, please contact our new administrative assistant at osler@spiritsd.ca.

Yours in Education,
Ms. Kampen

STAGGERED START DATES

Tuesday, September 8: Families whose last name begins with A—L will attend.

Wednesday, September 9: Families whose last name begins with M—Z will attend.

Thursday, September 10: Families whose last name begins with A—L will attend.
