

# **Perdue School News**

**Principal – Mr. Jeff Chilibeck**

**Vice Principal – Mrs. Kristal Mason**

## **Important Dates to Remember**

1. Friday, December 5 / Saturday, December 6 – Senior Girls Basketball Tourny
2. Saturday, December 13 – Santa Claus Day – Legion Hall
3. Thursday, December 18 – Perdue School Christmas Concert – 7:00pm
4. Friday, December 19 – Christmas Dinner
5. Friday, December 19 – Last day of classes before Christmas
6. Monday, January 5 – Day C3 – First day of classes after the Christmas Break

## **Principal's Message**

I would like to wish everyone a Merry Christmas and a safe, relaxing break. Perdue School looks forward to seeing everyone at the annual Christmas Concert on December 18<sup>th</sup>.

I would like to thank our cross-country and volleyball coaches for their commitment and dedication to their teams. While many schools are struggling to find coaches, I am proud how our staff provides opportunities to our students!! Thank you coaches!!

The progress reports were a new and, at times, a frustrating experience! I hope that the progress reports sent out in November met the expectations of students and parents. If you have any feedback for us please call me and let me know how we can better meet your needs.

As mentioned in other newsletters, staff will be working with Prairie Spirit Division staff on our goal of parent engagement and student led conferences. We would like to, again, thank parents for their support at interviews and the feedback you provided on the surveys. Division staff will be working with us on December 1<sup>st</sup> at our staff meeting and on December 10<sup>th</sup> during the school day. I am proud of our staff for their eagerness to learn and improve. I am lucky to work with such a reflective group of individuals who are willing to try new ideas and implement them in the classroom!

In closing, I would like to thank our School Community Council for their hard work and dedication to our school! Keep up the great work ladies!!

## Yearbook

Just a reminder----if you are interested in purchasing a 2013/2014 yearbook, please do so as soon as possible. There is a copy at the front office for you to look through and the cost is \$20.00. Our cut off date for orders is November 28<sup>th</sup>. but, we would extend that to December 1st.

Thank you

Mr. Corrigan

### *Eat Better, Eat Together*

---

How often does your family eat together? Busy schedules can make it hard to sit down and eat as a family.

On the other hand, there can be many benefits in sharing meals together as often as possible. For example, family meals may help to promote:

- communication, sharing of family values
- a sense of family tradition, feelings of security and stability
- healthy eating habits
- better manners
- better use of time by preparing only one meal and having only one mess to clean up

Children who enjoy regular family meals have been found to eat more vegetables and fruit and less fried food and soft drinks. They get more of the nutrients and fibre they need and less saturated and trans fats. Some studies have also found that children who eat regular family meals do better in school.

Get family members involved in planning, preparation and clean-up. This takes the pressure off of one person, provides a learning experience for children, and extends your time together as a family.

These days, we tend to have more choices than ever before for family activities. When scheduling these activities, consider the benefits of regular family meals as well.

*Population and Public Health*
