

Grade 9

The grade 9 health class organized a food drive at the school. They had a contest among the classes within our school which class could collect the most non perishable food items to donate to our local Secret Santa. The contest was a success with collecting a total 490 items. The big winners were the grade 1&2 class and the grade 9 class themselves. They received hot chocolate and donuts

SCC:

Once again the feast was a hit! The SCC would like to thank our families for donating a food item towards our meal. We also would like to thank our parents who volunteered their time prepare the delicious meal for our students, staff, bus drivers and division guests. Your efforts are greatly appreciated.

On Wednesday December 17th we made our Christmas basket draw. Congratulations to Sheryl Kielo on winning the basket. We once again thank all of the families who donated items towards the basket as well as families and community who purchased tickets for our SCC council. We raised \$1112.00

THANKYOU!!!!!!
