

Perdue School June News:

Principal's Message

The past year has flown by at breakneck speed. It was an awesome year filled with lots of laughs and wonderful memories! I would again, like to congratulate our gr. 12's on their leadership and handwork and wish them all the best with their future endeavors!

Sadly due to the budget, we will be losing two of our stellar EA's.

Mrs. Hunter and Mrs. Nicholls have gone beyond the call of duty at each of their positions! They provided outstanding support in our classrooms and touched the lives of many in our students. In addition to classroom support, these ladies also helped organize and run our booth and participated in field trips and extra curricular activities that went beyond their school day hours. Their positive attitude and work ethic will be missed. On behalf of

staff and students "THANKYOU" ladies, for making our school a better place!

Congratulations to June Kowalenko on her retirement! June has done a fantastic job getting our students to school safely for over 30 years! We appreciate your effort and patience when working with our students, and wish you all the best in the future.

On behalf of Perdue School we hope that everyone has a safe and relaxing summer break

Grade 7/8 Cardboard Boat Races

The students had a wonderful time in the city as they built and raced their creations. They managed to win a few of the heats and several of our boats survived long enough to compete in the final treasure hunt. I would like to thank all the parents who drove as it made the day possible for the students.

Mr. Corrigan
