

# Perdue School May News:

## Principal's Message

As Graduation Day inches closer, I would like to extend a heart felt congratulations to the graduating class of 2016.

They have been a stellar group of students over their time at Perdue School! I am proud of the leadership they have displayed, especially this past year! Way to go Gr. 12's.

As we head into the final month of school, I would like to also thank our staff on their involvement with our students outside the classroom. Through coaching, class trips, running the booth or organizing the Graduation program, our staff has enriched the lives of our students.

If there are any parents who are interested in coaching a sports team next year, please contact Jeff Chilibeck. We try our best to run as many programs as possible for our students with

a small staff, but we are sometimes spread thin. Any help would be greatly appreciated!

## The Buzz from Grade 1/2

Have we ever been busy! We enjoyed our One Book One School Because of Winn-Dixie project so much! There were some trivia question superstars in our classroom! Wow, did we ever pay close attention to those! We practiced really hard to sing "Count on Me" at the Mother's Day Tea and were so glad that so many special people could join us. Our Math Stations are clipping along and every day we discuss what we did really well and what we can work on for tomorrow.

On May 27<sup>th</sup>, we had BEE DAY in our classroom! Mrs. Comerford brought in a whole bunch of cool beekeeping equipment and honeybee supplies to show us. We are going to be beekeeping experts by

the end! Don't worry, no real honeybees will be involved, schools make them a little skiddish. Besides, they're busy collecting nectar right now.

## Grade 7/8

The grade 7/8 students will be travelling to Saskatoon on Friday, June 17<sup>th</sup> to compete in the annual Cardboard Boat Races at Saskatchewan Polytechnic (SIAS) and Harry Bailey Pool. There will be other schools from our division as well as students from Saskatoon. In teams of three or four, the grade 7/8's will build their boats using previously made plans and then race them with one person floating in the boat.

## **Jr, SRC**

The elementary Air Bands rocked the gym! Thank you so much to all the groups who participated in the performances and rocked out on stage. The judges were tough and the decision was tricky, but the winning group was The Rocker Boys. Everyone who participated got a little prize and the winning group received their after-party gift bag of greatness! As the school year comes to an end in June, the Jr. SRC is planning a Spirit Week from June 20-24<sup>th</sup>. Watch for posters in the halls and listen to the announcements to find out what themes will happen! There will also be a summer kick-off assembly with all elementary classrooms. Details coming soon!

## **The Booth**

The time is approaching when our booth will be wrapping up for another year. On June 21 the booth is going to be providing a FREE LUNCH for the students and staff. Please watch for details. Take time to note the fol-

lowing dates below regarding the booth.

**June 20:** No more tabbing at the booth as of this day. All IOU'S must be paid up.

**June 21:** FREE LUNCH sponsored by the booth

**June 24:** Last day booth will be open

## **Student Fees:**

Perdue School will be purchasing school supplies for grades K-6 for the upcoming 2016/2017 school year.

**Please submit a fee of \$30 per child to the school by:**

**JUNE 21, 2016**

**Cheques payable to:**

***Prairie Spirit School Division***

## **SCC**

Meet your SCC Council for the 2016/2017 school year

Denise McBee, Jackie Nixey, Liz Thiessen. Tanya Fyson, Kristal Mason.

Thankyou to Charlene Baduik and Janet Thingvold for your time on our SCC Council

## **Lost and Found**

Our lost and found collection is quite large. Please feel free to stop by and check out the items. The kids seem to use the famous line "its not mine!"

## Playground

Our playground equipment is ordered and is expected to arrive at the end of June. We are looking for 15-20 volunteers to help us complete this project.

The first step is to prep the ground and remove the wooden border the night before the scheduled install date. ( TBA upon arrival of equipment)

The second step is the actual install of the equipment guided by a rep from 1 Stop Playground. This will take a approx. 1 day to install which will fall on a weekday. Lunch/ beverages will be provided to our volunteers.

If you are able to volunteer your time to get this project completed please contact:

Tanya Fyson at  
306-237-4311 or

[tanya.fyson@spiritsd.ca](mailto:tanya.fyson@spiritsd.ca)

**Congratulations to  
Georgina Heather**

who won the  
May trip to Cuba!

## Sneak Peek Into September
