

Perdue School May News:

Principal's Message

I would like to thank Tammy and Marvin Nicholls, Andrew Wilkinson, Roy Bindle, Kevin Munro, Janet Hanson and Cindy Hooper for helping organize and chaperone the Jan Lake trip. You did an amazing job!

Just back from Jan Lake! Chaperones and students were awesome! The weather wasn't very cooperative, but many fish were caught.....and ate! The staff at Jan Lake Lodge, were impressed by how our students behaved and respected the lake. I appreciated how our students represented the school in such an open environment. The leadership and maturity of our gr.11/12's this year has been outstanding, and a school's culture is defined by your older students.

As I look back on the past year, our gr 12's will

be missed, not only for their leadership, but also their work ethic and respect that they have shown towards the staff. " Thank you " grade 12's it has been another stellar year and I hope that June 17th is everything that you dreamed of!

As we move into the final month, we still have many activities on deck. Class trips, hi-lo meet, graduation day and awards day are just a few of the activities on the horizon! Again I would like to thank staff and parents for offering and helping out during their out of school experiences. They benefit our students and allow them to leave and shine outside of the classroom! Your effort have gone unnoticed!

The Perdue School SCC will be running the booth at Track and Field on June 7th.

We need your support

100% of our proceeds that we make from the booth at this event will be given back to our school. **In what form?** Each student will be given the opportunity to exercise their Student Voice and choose new books for our new **Library!** Please consider choosing us to feed your child(ren) that day and support literacy in our school. Let's fill that **Library** with some more new great books for our kids!

THE SCC

It has been a busy school year for us as an SCC. Our role as an SCC is to support our staff and students in the learning goal that is set out and to be a bridge between our school and our community. This year the learning goal at Perdue School was to increase our student's literacy and we, as an SCC, supported this goal in varied ways.

The morning of the Terry Fox Run, we held our annual Pancake Breakfast open to the community at large. We saw an increase in Community members this year and hope that we see even more in the fall when we return. At Student Led Conferencing in November and March, we had a spaghetti supper available to purchase. In December, we held our annual Gift Basket Raffle. Due to the wealth of donations, we chose to create three baskets for raffle rather than just one. Our SCC supplied the turkeys for the Perdue School Christmas Dinner. Also in March, we held our first Literacy Fair. Students from Preschool to Grade 6 were welcomed to come and dress up as their favorite Disney character and participate in Literacy based activities. The students had a blast and we look forward to holding another one next year with some minor changes. In March at the Student Led Conferences, a Book Fair was open and each student in the school had \$7.00 towards the purchase of a book given to them. Every student utilized this avenue and purchased a book for himself/herself. At the end of April, we ran One Book, One School reading Charlotte's Web this year in our elementary end. A copy of Charlotte's Web was purchased for each family to read, a question was asked everyday on comprehension of what they read, activities were planned around the book and prizes were given to those who answered correctly. Next week at our Annual Track and Field meet in Perdue the SCC will be running the booth. All the proceeds from the booth will go directly back into our school Library. Students will get to exercise their Student Voice and make book selections they would like to see in our new Library!

We had our SCC election on May 11 and we are happy to welcome a new member to our group : *Janet Hanson*

We would like to thank all the parents, staff, students and community for all the support this year! You amazing people have supported us in purchasing tickets, volunteering your time, giving donations, purchasing meals and all the other things you do to help support the growth and education of all our students in Perdue School. We look forward to serving our staff and students again in the 2017-2018 school year! Have a great summer break.

2017/2018 SCC: *Denise McBee, Kristal Mason, Jackie Nixey, Janet Hanson and Tanya Fyson*
