Perdue School February News:

Principal's Message

It's great to be back from the break! February was a busy month that saw our students take part in a downhill ski trip to Table Mountain, attend the Saskatoon Blades Respect/ Eliminating Bullying game and a visit to Shekinah resort. All of these out of school education opportunities and other extra curricular activities are important for our students and allow them to take part in new and exciting activities.

thankyou to our staff members and parents who support and encourage these activities. It only reinforces the relationships between staff, students and family!

I would like to thank our grade 11/12 students for their incredible leadership and positive attitude! They have done a stellar job creating a welcoming environment for

our staff and students.
I really appreciate how
they have created a
climate that encourages
respect and inclusion!
They have been tremendous leaders and ambassadors for our school!

I would like to acknowledge all the dedication and hard work of our playground improvement committee. They have been doing a tremendous job fundraising and working with several groups to update and improve our playground.

Your effort is greatly

Thankyou:

appreciated.

The Buzz from Grade 1/2

What a couple of busy months we have had! Before the February break, we celebrated our 100th Day of School AND Valentine's Day on the SAME DAY! It was a very exciting day to kick off the February break. Now that we are back, we are continuing to focus on our addition and subtraction strateaies in our Math Stations, asking questions in Reader's Workshop, and studying community helpers in Social Studies just to name a few. Our Secret Sharing theme in February has been a huge hit and soon there will be a March calendar coming home with a new sharing theme for everyone! As March nears, we look forward to our Student-Led Conferences where we get to show off all our hard work to our families! Stay tuned!

WHAT PERDUE SCHOOL IS DOING TO HELP

JUNIOR SRC

Coin Drive - we will be holding a coin drive competition between the Kindergarten to Grade 5/6 classes. Check your couches, check your vehicles and send in those coins! There is a special prize for the class with the largest number of coins AND the class who raises the most money with coins.

Selling Helping Hands – we will be selling Helping Hands for \$1.00 each during lunch at the front of the school. Come purchase one, write your name on it, and add it to our Helping Hands wall. We have 500 Helping Hands to sell; help us reach our goal!

SENIOR SRC

The Senior SRC has initiated a plan to fundraise for this year's Telemiracle. There will be students collecting money from the <u>high school</u> classrooms **until Wednesday**, **March**. **2**nd.

- Each day, the student that provides the largest donation will be rewarded with a chocolate bar.
- On Friday, March 26th, there will be a Pie Auction held during homework period. Every high school teacher is given a pie that the students will be able to bid on. The highest bidder gets to pie the teacher.
- At \$200.00 there will be cupcakes given out to each student.
- At \$400.00 the students will be given an extended lunch hour.
- At \$600.00 Shayne Nicholls has agreed to die his hair blue.
- At \$700.00 Mr. Davidson offered to shave his head.
- At \$800.00 Gage Gray will be getting his legs waxed in front of the students.
- The grand prize is a fun afternoon that will only be rewarded if the high school is able to raise **\$1000.00**.

These donations are going to a great cause, and we encourage you to help out the students with their fundraising. Every dollar counts!
