

Perdue School April News:

Principal's Message

I hope everyone had a safe and relaxing Easter Break!

On May 9th, several members of the staff will be heading to Warman to present our school goal to the school division. We have been working together with our SCC to "Promote a Love of Literacy." Staff and SCC have done a wonderful job of promoting literacy through many activities this past year. I would like to applaud their effort in supporting their goal, and for the wide array of activities that we have tried to engage students.

Proud to announce that our teaching staff number will be the same for the 2017/2018 school year. We still have not received confirmation around our support staff, but we are hoping to have that number confirmed in the next few weeks.

We are hoping that our "new" library will be completed in May. Work has been going well and we are excited to see the finished product in the next month.

SCC

*It's that time of year again when the SCC is seeking anyone interested in joining the SCC. Any parent or community members are welcome.
