

# Perdue School September News:

## Principal's Message

I hope that everyone had a fantastic summer! It was well deserved after a busy and wonderful year.

September was a busy month, with students and staff diving head first into new classes and extra-curricular activities starting up! I would like to thank our staff for their commitment to our extra-curricular program. Many small schools have a tough time finding coaches, so I am grateful that our teachers get involved with our students outside of the classroom.

The new playground has been a wonderful addition to our school yard! I would again like to extend a heartfelt thank-you to the playground committee and all of our volunteers who helped in making the new playground equipment a reality. We appreciate your effort!

On September 15th, Perdue School held its annual

Pancake Breakfast and Terry Fox Run. Donation jars were set-up and together we raised over \$790 to fight cancer!

This year Perdue School's goal will be creating life long readers and appreciation of reading, while improving comprehension and vocabulary. To promote this we have allocated 20min each day for students to read

In today's world being able to comprehend what you are reading is an important skill that will help our students not only in school, but life.

Finally, congratulations to Jessica Nicholls, who was our 2016 General Proficiency nominee with an average of 90.3%

## The Buzz from Grade K/1

What a busy month in our classrooms! Welcome back to school! We have enjoyed some community building activities like the Terry Fox Run and the first elementary assembly of our school year. Our classroom routines are starting to get easier and more successful as we continue to practice them everyday. A huge highlight in our classroom has been our Class Dojo. It is an app that can be used on our school computer and Mrs. Comerford's phone. Our parents can all connect to our accounts as well to see the different posts we have about our classroom learning. It has been a lot of exciting fun so far. We even get to earn points! So far, we have won 2 class rewards: a glow stick party and a movie and snacks party. Wow!
