

Perdue School March News:

Principal's Message

Congratulations to Cassidy Hooper, Dakota Anderson, Jessica Montgomery and Robyn Fyson along with Lord Asquith Sr. Girls for winning a Silver medal at HOOPLA in Prince Albert this past weekend. I would also like to thank Vicki Quittenbaum and her team for providing our players an opportunity to participate this year!

Classroom libraries have been an ongoing focus for our staff to better support our literacy goal and create a love of reading amongst our students. We have been targeting school funds towards enhancing our classroom libraries in order to increase student choice and have books readily available when students are finished their book. Students have also provided teacher feedback on the types of books that they want to see in their classrooms,

which we hope will lead to students reading more at school and at home.

Students in gr 7-9 have recently registered on the career website www.myBlueprint.com.

This is a career based website that allows students to work with portfolios, resumes and career research. Students can access this website at school or at home, and it is a wonderful tool to start planning for the future. Our goal is to have all students in gr 7-12 registered over the next few weeks. If you have any questions about myBlueprint please contact Mr. Chilibeck.

A big "thankyou" to all the parents who joined us for student led conferences! We were also appreciative of the SCC for providing a spaghetti dinner on both evenings. Thankyou SCC!

We hope that everyone has a safe and relaxing

Easter Break!
