

# Perdue School May News:

## Principal's Message

Another year has flown by! I would like to start off by thanking our students, staff, SCC and parents for their support and hard work in making our Literacy goal a huge success! On May 15th, several of our staff members presented our goal at division office, and it was a rewarding experience to see how much we accomplished in developing "A love of reading" amongst staff and students. We are proud of how our students have developed a love of reading through "choice" and it is awesome to see students reading for enjoyment! Great job everyone!

Congratulations Graduates! Your big day is on June 9th. The year has flown by way too fast and we want to say "thankyou" for all of your hard work and leadership this past year! You all have the ability to do

wonderful things in the future! We wish you all the best on your future endeavors.

Final exam schedule has been posted and emailed! Exams run from June 22 - June 27.

Reminder that course selection sheets need to be handed in ASAP. We need to know what courses the students are taking in order to register them for the 2018/2019 school year. This requirement is from Division Office. Please see Mr. Chilibeck if you have any questions about course selection.

If you're interested in getting involved as a coach at Perdue School, please contact Mr. Brandt for the requirements.

## THE SCC

As the school year ends, the SCC would like to take the opportunity to thank everyone for another successful school year. To parents, students and community members, thank you for supporting our fundraising efforts, volunteering your time and joining in our activities. To our school staff, thank you for all the extra hours you put in for our students coaching, prepping and going that extra mile.

As an SCC, it is very important for us to support and engage our community and parents around our staff's learning goal of reading and writing. To support this goal this year we allotted close to \$1600 for the purchase of new books for the library, purchased a number of chromebooks for student use, invited Munsch-works to the school, hosted a literacy fair in April and held a tournament of books in May. All of these achievements were possible through our Spaghetti Suppers held at Student Led Conferencing, our basket raffles, Track and Field proceeds from last year and a Bingo that Staff, Students and Parents worked. To assist with Community Engagement in our school we held a Terry Fox BBQ lunch in September and an Art Fair in March.

They say that it takes a village to raise a child and that is never more prevalent than in the walls of Perdue School and surrounding community. Our hardworking SCC members, Kristal Mason, Tanya Fyson, Jackie Nixey, Janet Hanson and Denise McBee welcomed our newest member, Amber Zbeeshko to our council in May at our AGM and look forward to supporting our students and staff's needs in the new school year. Enjoy your summer and we look forward to seeing you in the fall!
