

# Perdue School November News:

## Principal's Message

Hard to believe that Christmas break is right around the corner! The last three months have flown by and everyone is looking forward to a relaxing break.

I would like to thank our cross country coach Mr. Smith and the volleyball coaches Mrs. Blum, Mrs. Mason, Mr. Weir and Mr. Brandt on a successful season. They put in many hours providing our students on opportunity to compete and grow on and off the court!

"Thank-you" for your efforts!

Once again our school goal is developing a "Love of Literacy" amongst our students. We are hoping that you are enjoying the Perdue Showcase, and the work that our students are proud to display. We also, as a staff, devoted a larger portion of our school budget towards the classroom libraries in each home room. We are hoping that "choice" will inspire stu-

dents to read more often! In our first set of report cards, we sent home a set of instructions for parents to have access to their child's mark's. We are hoping that increases communication between parents and staff around their child's assessment. If you have any questions about registering on PowerSchool, please contact the school, and we will assist you in anyway possible!

We hope that everyone has a safe and relaxing Christmas break!

Merry Christmas!
