Principal's Message

It was amazing to walk into the new rink and watch the Sr. Pirates as they hosted their first home game! The rebuild committee and volunteers did an amazing job and although the rink is not finished, it is a beautiful place to watch the game! Congratulations.

As I write, students are busy writing their final exams to end semester 1. Report cards will be handed out this week. Please look over your child's report card and contact staff if you have any questions.

I am proud of the staff and students for their work on our goal of Literacy. We have committed a portion of our budget to our goal, in hopes of instilling a love of reading and writing. Classroom libraries have been a focus, and with the help of our students, they have been provided a choice of what they want to read. Staff did an amazing job ordering books for our students and I am appreciative of the efforts of everyone!

High school students have been busy selecting courses for the second semester. If you or your child have any questions about course options, please have them see myself.

IT's a Boy! The staff and students would like to send a big congratulations to Mr. and Mrs. Brandt who welcomed their first baby, a boy on January 29, 2019.
