

Perdue Steelers News

February 2019

Principal's Message

Hopefully the "nice" weather we experienced in February is in the rear view mirror and warmer temperatures are on their way! We appreciated the effort of parents and students travelling in less than ideal weather to get to school! I cannot remember so many bus cancellations over the course of a month, hopefully the weather goes back to normal and we see "normal" March weather!

I would like to thank the Biggar RCMP, they have been doing a great job coming to our school to talk to our students about the dangers of drugs! We still have two talks remaining and we appreciate the information the RCMP is presenting to our students.

Reminder that there is no school on Monday, March 11th. Staff will be working on our school goal "creating a Love of Literacy" during that day, along with prep time.

We hope that everyone has been enjoying the monthly "Steelers Showcase" that is being sent out via email. Our students are doing amazing things in the classrooms and we thought it would be a great way that we could celebrate and display our students work!

Reminder that elementary report cards have been pushed back to Friday, March 15. - Mr. C

Student Led Conferences

March 27 & 28

4:00pm to 6:30pm

Booking info with be sent out soon

Spaghetti Supper

Scholastics Book fair

Art Show

Junior Boys Basketball

Another season of Perdue junior boys basketball has come to an end. The boys played in four tournaments this year (Vanscoy, Aberdeen and Asquith as well as our home tournament). We often only had 7 or 8 players so they had lots of time on the court this season. In playoffs, Perdue defeated Colonsay in the first round before bowing out to Asquith in the second round. We would like to thank all the boys (and occasionally some junior girls) for their strong effort this year on the court. We also appreciated all the support and driving the boys' parents provided during the basketball season.

Mr. Corrigan and Mr. Chilibeck

March Important Dates

11: No School (prep day)

15: Perogie Meal

K-6 Report Cards

**21/22: Grade 5/6 Science Centre
Trip**

27: Student Led Conferences
